- b. The Notes may be repaid or prepaid in accordance with the provisions of Section 2, but once repaid or prepaid may not be reborrowed.

2. Note Repayment

- a. In consideration of the proceeds of the Notes and subject to the terms and conditions of this Agreement, the Company agrees to commence the payment of Monthly Payments to the Paying Agent (for the benefit of the Investors) in arrears by the 5th business day after the close of each month, commencing with first full month ending after the 12 month anniversary of the Closing Date in which the Company is open for business for the entirety of the month until the Company has paid 100% of the Total Payment to the Paying Agent (for the benefit of the Investors). Notwithstanding the foregoing, and to the extent applicable to Company, in the event that the Company is not open for business within six (6) months following the Expected Opening Date, the Company agrees to commence the monthly prepayment of one percent (1%) of the Offering Amount, in arrears by the 5th business day after the close of each month, starting with the 6th month following the Expected Opening Date, until the Company is open for business and commences to make Monthly Payments. In the event the Company’s board of directors or equivalent believes there is no commercially reasonable method to process the first Monthly Payment due, Monthly Payments may be delayed up to ninety (90) days without interest or penalty, provided the Company undertakes a good faith effort to secure assistance with facilitating the payments from qualified third parties.
- b. If the amount of a scheduled Monthly Payment exceeds the unpaid balance of the Total Payment, the Company shall pay to the Paying Agent (for the benefit of the Investors) an amount equal to the unpaid balance of the Total Payment only. The Company shall not be obligated to pay any amount to the Investors in excess of the Total Payment other than in connection with Section 2(h).

Each Investor is entitled to receive its proportionate share of each such prepayment at the time of the next monthly payment (or the Maturity Date, if no payment is scheduled before the Maturity Date).
- e. For each tax year of the Company, in the event the Paying Agent determines that the aggregate payments made by the Company under this Agreement during such year are less than the amount that should have been paid based on the Company’s revenues reported in its federal tax return for such year, the Company will pay a true-up amount as necessary to the Paying Agent (for the benefit of the Investors), and each Investor will receive its proportionate share of such payment.
- f. The Company and each Investor hereby authorize each of Republic and Republic Investment Services to maintain records in which it may record, among other things, the Closing Date, the date and amount of any Monthly Payments or other payments made to the Investors, and the unpaid balance of the Notes, if any, on the Maturity Date. Absent manifest error, such records shall be conclusive evidence of amounts paid and payable under this Agreement and be binding upon the Company and the Investors.
- g. If, on the Maturity Date, the Investors have not received an aggregate amount of Monthly Payments and prepayments under this Agreement equal to the Total Payment, the Company shall, within ten

- (10) business days after the Maturity Date, pay to the Paying Agent (for the benefit of the Investors) an amount equal to the unpaid balance of the Total Payment.
- h. If the Company's payment of any payment due hereunder is more than ten (10) business days late, the Company shall pay a late fee in an amount equal to five percent (5.0%) of such outstanding payment, to the extent permitted by applicable law. Each such fee shall be due and payable at the time of the next monthly payment (or the Maturity Date if no payment is scheduled before the Maturity Date).
 - i. Any payment received after 7:00 P.M. (U.S. Pacific Time) on a banking day by the Paying Agent is deemed received on the next banking day.
 - j. All payments under this Agreement or with respect to the Notes shall be applied first, toward payment of fees, expenses and other amounts due hereunder (excluding Monthly Payments), and second, toward the Total Payment; *provided* that after an Event of Default, payments will be applied to the Company's obligations as Republic Investment Services determines in its sole discretion.
 - k. Each Investor acknowledges and agrees that the Paying Agent is authorized to distribute to each Investor such Investor's proportionate share (in accordance with such Investor's Investor Proportion) of all payments made by the Company to the Paying Agent (for the benefit of the Investors).
 - l. The Company may elect to prepay the Total Payment at any time without penalty; provided, however, that such prepayment may result in an adjustment to the Investment Multiple and a corresponding adjustment to the amount of the Total Payment.
