The Subscriber will be admitted as a Member of the Fund at the time this subscription is accepted by the Administrator, and the Subscriber hereby irrevocably agrees to be bound by the LLC Agreement as a Member of the Fund and to perform all obligations contained in the LLC Agreement, including making contributions to the Fund.

(b) The Administrator, on behalf of the Fund, may accept or reject this Agreement, in whole or in part, in its sole discretion. Upon acceptance, the Subscriber will be issued the Interest for which it has subscribed.

(c) If following the Administrator's acceptance of this Agreement the Administrator determines that some or all of the Subscription Amount will not be invested in the Portfolio Company or otherwise applied in accordance with the LLC Agreement, the Administrator may return such excess Subscription Amount (which may be up to 100% of such Subscription Amount) to the Subscriber, in which case, to the extent so returned, the Subscriber shall be deemed to have automatically withdrawn from the Fund.

(e) The Subscriber understands that the Fund has entered into or expects to enter into separate subscription agreements with other investors which are or will be substantially similar in all material respects to this Agreement providing for the admission of such other investors as Members in the Fund. This Agreement and other separate subscription agreements are separate agreements and the sale arrangements between the Fund and other investors are separate sales. The Subscriber also acknowledges that the Administrator may enter into side letters with certain Members (which may include the Subscriber) which contain terms different from those in this Agreement or amend and supplement certain provisions of the LLC Agreement as it applies to such Members.

2. Representations and Warranties of the Subscriber.

The Subscriber hereby represents and warrants to the Fund as of the date of this Agreement and as of the date of any capital contribution to the Fund (and the Subscriber agrees to notify the Fund in writing immediately if any changes in the information set forth in this Agreement occur):

(a) The Subscriber is an "**Accredited Investor**" within the meaning of Rule 501 under the Securities Act of 1933 (the "**Securities Act**") and has completed the Onboarding Pages on the Platform indicating how the Subscriber qualifies as an Accredited Investor, which the Subscriber hereby represents and

warrants is true as of the date hereof and will remain true as of the acceptance of this Agreement by the Administrator and for so long as the Subscriber holds an Interest.

(b) If the Subscriber has indicated as such in the Onboarding Pages on the Platform, the Subscriber is a “**Qualified Client**” within the meaning of Rule 205-3(d)(1) promulgated under the Investment Advisers Act of 1940 (the “**Advisers Act**”) and has completed the Onboarding Pages on the Platform indicating how the Subscriber qualifies as a Qualified Client, which the Subscriber hereby represents and warrants is true as of the date hereof and will remain true as of the acceptance of this Agreement by the Administrator and for so long as the Subscriber holds an Interest.

(c) If the Subscriber has indicated as such in the Onboarding Pages on the Platform, the Subscriber is a “**Qualified Purchaser**” within the meaning of Section 2(a)(51) of the Investment Company Act of 1940 (the “**Investment Company Act**”) and has completed the Onboarding Pages on the Platform indicating how the Subscriber qualifies as a Qualified Purchaser, which the Subscriber hereby represents and warrants is true as of the date hereof and will remain true as of the acceptance of this Agreement by the Administrator and for so long as the Subscriber holds an Interest.

(d) Neither the Subscriber, nor any of its shareholders, members, managers, general or limited partners, directors, affiliates or executive officers, is subject to any of the “**Bad Actor**” disqualifications described in Rule 506(d)(1)(i) to (viii) under the Securities Act (a “**Disqualification Event**”), except for a Disqualification Event covered by Rule 506(d)(2) or (d)(3).

(e) The Subscriber is purchasing the Interest solely for the Subscriber’s own account for investment purposes only and not with a view to the sale or distribution of any part or all of the Interest by public or private sale or other disposition. The Subscriber understands that no public market exists for the Interest and that the Interest may have to be held for an indefinite period of time. The Subscriber has no intention of selling, granting any participation in or otherwise dividing, distributing or disposing of any portion of the Interest, except that participants in and beneficiaries of any Subscriber that is a Qualified Plan Investor (as defined below) will benefit as provided in plan documents.

(f) The Subscriber understands that the Interest has not been and will not be registered under the Securities Act, or approved or disapproved by the U.S. Securities and Exchange Commission or by any state securities administrator, or registered or qualified under any state securities law. The Interest is being offered and sold in reliance on exemptions from the registration requirements of both the Securities Act and applicable state securities laws, and the Interest may not be transferred by the Subscriber except in compliance with the LLC Agreement and applicable laws and regulations.

(g) The Subscriber (either alone or with the Subscriber’s professional advisers who are unaffiliated with the Fund, the Administrator, or its affiliates) has such knowledge and experience in financial and business matters that the Subscriber is capable of evaluating the merits and risks of an investment in the Interest and has the capacity to protect the Subscriber’s own interest in connection with the Subscriber’s proposed investment in the Fund. The Subscriber understands that an investment in the Fund is highly speculative and the Subscriber is able to bear the economic risk of the investment for an indefinite period of time and the loss of the Subscriber’s entire investment.

(h) All questions of the Subscriber related to the Subscriber’s investment in the Fund have been answered to the full satisfaction of the Subscriber and the Subscriber has received all the information the Subscriber considers necessary or appropriate for deciding whether to purchase the Interest.

(i) This Agreement, upon acceptance by the Administrator, will constitute a valid and legally binding obligation of the Subscriber, enforceable in accordance with its terms except to the extent limited by

applicable bankruptcy, insolvency, reorganization or other laws affecting the enforcement of creditors' rights generally and by principles of equity.

(j) If the Subscriber is a natural person, the Subscriber (i) has full legal capacity to execute and deliver this Agreement and to perform the Subscriber's obligations in this Agreement and (ii) is a bona fide resident of the state of residence indicated by the Subscriber in the Onboarding Pages on the Platform and has no present intention of becoming a resident of any other state or jurisdiction.

(k) If the Subscriber is not a natural person, the Subscriber (i) is duly organized and has all requisite power to execute and deliver this Agreement and perform its obligations this Agreement requires, (ii) has taken all necessary action to duly authorize the execution, delivery and performance of this Agreement and (iii) was not organized for the specific purpose of acquiring the Interest, unless otherwise disclosed on the Platform.

(l) Other than as set forth in this Agreement or in the LLC Agreement (and any separate agreement in writing with the Fund executed in conjunction with the Subscriber's subscription for the Interest), the Subscriber is not relying upon any information, representation or warranty by the Fund, the Administrator or any of its respective agents or representatives in determining to invest in the Fund. The Subscriber has consulted, to the extent deemed appropriate by the Subscriber, with the Subscriber's own advisers as to the financial, tax, legal and other matters concerning an investment in the Interest and on that basis and the basis of its own independent investigations, without the assistance of the Fund, the Administrator, or any of its respective agents or representatives, believes that an investment in the Fund is suitable and appropriate for the Subscriber. **Subscriber hereby represents and warrants that it has had the opportunity to have its own independent legal counsel review and approve all of the legal documents executed in connection with its Subscription.**

The Subscriber was offered the Interest through private negotiations and not through any general solicitation or general advertising, unless the Interest is being offered pursuant to Rule 506(c) under the Securities Act.

(n) The Subscriber understands and acknowledges that (i) any description of the Fund's business and prospects given to the Subscriber is not necessarily exhaustive, (ii) all estimates, projections and forward-looking statements were based upon the best judgment of the Fund's management at the time the estimates or projections were made and that whether or not the estimates, projections or forward-looking statements will materialize will depend upon many factors that are out of the control of the Fund and (iii) there is no assurance that any projections, estimates or forward-looking statements will be attained.

(o) The Subscriber's information provided in this Agreement (including the Onboarding Pages in the Platform) is complete and accurate and may be relied upon by the Fund and the Administrator. Additionally, by executing the Agreement, the Subscriber acknowledges and agrees that any identifying information or documentation regarding the Subscriber and/or its suitability to invest in the Fund that was furnished by the Subscriber to the Fund, the Administrator or their affiliates in the Platform, or via e-mail, whether in connection with this subscription or previously, may be made available to the Administrator, remains true and correct in all respects and may, at the discretion of the Administrator, be incorporated by reference herein (collectively, "**Supporting Documents**").

(p) Neither this Subscription nor any of the Subscriber's contributions of Commitments do or will directly or indirectly contravene applicable laws and regulations, including anti-money-laundering laws and regulations. The Subscriber understands and agrees that the Fund may undertake any actions that the Fund deems necessary or appropriate to ensure compliance with applicable laws, rules and regulations regarding money laundering or terrorism. In furtherance of those efforts, the Subscriber hereby represents, covenants, and agrees that, to the best of the Subscriber's knowledge based on reasonable investigation:

MEMBERS; MEMBERSHIP CAPITAL; EXPENSES; MANAGEMENT FEES; FOLLOW-ON INVESTMENT RIGHTS

III.1 Admission of Members. The Administrator may, at the Organizer's direction, admit any Person as a Member upon such Person signing a counterpart of this Agreement (which may be done by power of attorney or by any other document or instrument of the Fund that by its terms is deemed to be an execution of this Agreement, including via the Platform). Admission will be effective when the Administrator enters the name of that Person on the Interest Register. Except as otherwise expressly provided by this Agreement, or by operation of law, the Members (as members of the Fund) will have no rights or powers to take part in the management and control of the Fund and its business and affairs and will have no power or authority to act for the Fund, or bind the Fund under agreements or arrangements with third parties. The Members will have the right to vote only on the matters explicitly set forth in this Agreement.

III.8 Nature of Obligations between Members. Except as otherwise expressly provided by this Agreement, shall deem any Member, in that Member's capacity as a Member, an agent or legal representative of any other Member or to create any fiduciary relationship between Members for any purpose whatsoever, apart from obligations between the members of a limited liability company as may be created by the Act. Except as otherwise expressly provided by this Agreement, each Member has no authority to act for, or to assume any obligation or responsibility on behalf of, any other Member or the Fund.

III.9 Expenses.

(a) The Fund may retain amounts contributed by the Members toward Fund Expenses in an account in its name as needed.

(b) The Organizer authorizes and obligates the Fund to pay any Fund operating costs and expenses, including without limitation in connection with the creation and management of this Fund pursuant to the Platform or another service provider's standard Master Services Agreement and Statements of Work, as may be modified from time to time; digital copies of which shall be made available to Members, the Organizer and the Adviser upon request (the "**Platform Fees**"). Notwithstanding the foregoing, the Organizer may elect to pay the Platform Fees.

III.10 Management Fee. If applicable, the Fund will pay the Organizer the Management Fee calculated as the sum of the Applicable Management Fees payable with respect to each Member.

III.11 Follow-on Investment Rights of the Advisor. At times the Fund’s investment in a Portfolio Company by its terms gives rise to preferential rights, requests to purchase additional shares in that Portfolio Company’s future offerings, or a general right of first refusal (collectively, **“Follow-on Investment Rights”**). The Fund hereby assigns and delegates all Follow-on Investment Rights to the Advisor. In the event that the Fund, as a holder of Portfolio Company Securities, is presented with the opportunity or request to make additional or “follow-on” investments in that Portfolio Company, the Fund may make those follow on investments; provided, however, the Organizer may, in consultation with the Advisor, instruct the Administrator to organize one or more additional entities with additional members for the purpose of making that follow on investment and may extend any investment opportunity to the Members at its discretion. All decisions related to the exercise of these rights will belong to the Advisor and will be made at the Advisor’s discretion. The Fund’s Members acknowledge and agree that the rights described in this Article III.11 are not actual rights or entitlements exercisable by the Fund or by any Member of the Fund. Each Member waives any right or remedy it may have in relation to the Advisor’s exercise of these rights on behalf of the Fund. No action or inaction by the Advisor, if applicable, with respect to any Follow-on Investment Rights can be deemed to adversely impact any rights or entitlements vested in the Member by virtue of their beneficial ownership in the Fund.

III.12 Non-Reliance. Each Member acknowledges and agrees that the Administrator (i) may not verify or review, and does not endorse, adopt or guarantee information provided by a Portfolio Company or the Organizer on the Platform, (ii) will not have any responsibility for the accuracy or veracity of any information provided by a Portfolio Company or the Organizer on the Platform, and (iii) does not propose to evaluate the potential profitability, or lack thereof, of a Portfolio Company Security or any Follow-On Investment Rights opportunity.

III.13 CFIUS Matters.

(a) *General.* The Administrator is hereby authorized to take such actions as may be necessary or appropriate to cause the Fund to (i) avoid being or becoming a Foreign Person and (ii) make no investment in a Portfolio Company that constitutes a Covered Transaction. For the avoidance of doubt, however, the Administrator shall be under no obligation to (A) cause the Fund to forego an investment that would constitute a Covered Transaction or (B) take any action to avoid the Fund being or becoming a

Foreign Person. Notwithstanding any provision of this Agreement to the contrary, the Administrator may take such steps in managing the affairs of the Fund, amending the Agreement, or adjusting the rights of any Member with respect to the Fund as it determines to be necessary or appropriate to ensure that the Fund does not qualify as a Foreign Person or as it otherwise deems necessary consistent with Article III.13(h) below.

(b) *Determination of Foreign Person Member Status.* A Member shall be deemed to be a Foreign Person Member for purposes of this Agreement (i) upon any determination by the Administrator that such Member is a Foreign Person Member hereunder or (ii) if such Member is a Foreign Person under the DPA. Each Member acknowledges and agrees that (i) it has read and acknowledged the representation contained in Section 2(x) of its Subscription Agreement and (ii) it will promptly provide notice of any changes to its status that would alter its status as a potential Foreign Person. Each Non-Foreign Person Member acknowledges and agrees that it shall not accept any investment or engage in any activity that would cause it to become a Foreign Person without providing advance written notice to the Fund. Whether or not such notice is provided, any Non-Foreign Person Member that becomes a Foreign Person acknowledges and agrees that upon such change in status it will immediately become a Foreign Person Member subject to the restrictions in Article III.13(c).

(c) *Limitations on Foreign Person Members.* Notwithstanding anything to the contrary in this Agreement, and except as the Administrator shall otherwise determine, each Foreign Person Member acknowledges and agrees that neither it nor any of its Affiliates shall:

(i) have the authority to approve, disapprove, or otherwise control any decision of the Administrator, including any decision of the Fund to invest in a Portfolio Company; or

(ii) have the authority to unilaterally dismiss, prevent the dismissal of, select, or determine the compensation of the Administrator;

and in addition, without the written consent of the Administrator, each Foreign Person Member acknowledges and agrees that neither it nor any of its Affiliates shall:

(iii) independently invest in any Portfolio Company;

(iv) have the right to communicate with the Fund, any Portfolio Company or the management thereof regarding the day to day operations of its business;

(v) become actively involved, directly or indirectly, in the management or operation of the Fund or any Portfolio Company;

(vi) obtain or seek to obtain access to Material Non-public Technical Information of the Fund or any Portfolio Company;

(vii) obtain or seek to obtain membership or observer rights on the board of directors or equivalent governing body of the Fund, if any, or any Portfolio Company;

(viii) become involved with or engage in any substantive decision-making of the Fund or any Portfolio Company regarding U.S. critical infrastructure, critical technologies, or sensitive personal data as defined under the DPA;

(ix) become involved with or engage in the purchase, lease, or concession of U.S. real estate by the Fund or any Portfolio Company; or

(x) maintain any other relationship to the Fund or any Portfolio Company, including service as a director, officer, or in another management or decision-making role, other than (A) the relationship with the Fund permitted under this Agreement and (B) ordinary course commercial relationships with Portfolio Companies.

(d) *Limitations on All Members.* Each Member acknowledges and agrees that no foreign government will hold a Substantial Interest in it or its Affiliates from the date hereof until the dissolution of the Fund pursuant to Article IX.

(e) *CFIUS Information Requests.* Each Member acknowledges and agrees that it shall cooperate with any requests for information from the Administrator made from time to time for the purpose of determining compliance with this Article III.13 and with the DPA. Each Member acknowledges and agrees that such requests may include requests for additional information on that Member's (and its Affiliates') holdings, investments, and relationships with U.S. persons. Each Member acknowledges and agrees that it shall cooperate with the Administrator with respect to any reporting and disclosure requirements imposed upon the Fund under the DPA or by CFIUS. Each Member shall use reasonable best efforts to provide relevant information requested by CFIUS or other U.S. government authorities on behalf of and on matters related to CFIUS.

(f) *CFIUS Isolation Mechanisms.* The Members acknowledge and agree that the Administrator may determine that it is in the best interests of the Fund or any of the Members (i) to make or hold the investments of any Foreign Person Member through an alternate investment vehicle, (ii) to allocate profits and/or losses from a particular investment in a Portfolio Company, or (iii) to otherwise isolate any Foreign Person Member from one or more investments in a Portfolio Company, in each case (i)-(iii) in order to reduce the likelihood of the Fund entering into or having been deemed to have entered into a Covered Transaction. In the event of such determination, the Administrator is hereby authorized to take all such actions as may be necessary to effect the foregoing.

(g) *Cooperation with the Administrator.* Each Member acknowledges and agrees that it shall cooperate with the Fund in any such action as the Administrator deems necessary to comply with the DPA or CFIUS laws, rules, regulations, directives or special measures.

(h) *Compliance with CFIUS.* Notwithstanding anything to the contrary contained in this Agreement, the Administrator shall be authorized without the consent of any Person, including any other Member, to take such action as it determines in its sole discretion to be necessary or advisable to comply with the DPA or CFIUS laws, rules, regulations, directives or special measures, including the actions contemplated by this Agreement.

(i) *Indemnification and Limitation of Liability.* Each Foreign Person Member shall, to the maximum extent permitted by applicable law, indemnify and hold the Fund and each Covered Person harmless from and against any loss, claim, demand, cost, expense of any nature, judgment, penalty, settlement, compromise, damage, injury suffered or sustained, or any other amount, or any nature whatsoever, known or unknown, liquid or illiquid, suffered by the Fund or any such Covered Person arising, directly or indirectly, from such Foreign Person Member's breach of any of the provisions of this Agreement applicable to Foreign Person Members. Notwithstanding the generality of the foregoing, the Administrator shall be held harmless for any of its acts and omissions in connection with the enforcement of the provisions of this Article III.13(i). Neither the Fund nor any Covered Person shall be liable to the Foreign Person Member or to any other Member in connection with: (i) any determination of Foreign Person status; or (ii) any other matter related to compliance with the DPA or CFIUS laws, rules, regulations, directives, or special measures.

III.14 Bank Holding Company Act Matters. Notwithstanding anything in this Agreement to the contrary, no Member who is directly or indirectly subject to the Bank Holding Company Act of 1956 or the Home Owners' Loan Act or the implementing regulations of either such act (a "**Banking Entity**"), shall be entitled to vote, be polled, or otherwise exercise any similar right set forth in this Agreement or elsewhere. No Banking Entity shall participate in the removal or selection of the Administrator, or any director, general partner, or trustee of the Fund or its Affiliates, nor shall a Banking Entity otherwise exercise, directly or indirectly, any influence or authority over the management or policies of the Fund.

Article IV

MANAGEMENT AND CONTROL OF THE FUND

IV.1 Management; Delegation of Power and Authority to the Organizer and the Advisor.

(a) Management of the Fund is vested in the Administrator. The Administrator shall be a "manager" within the meaning of Section 18-101(10) of the Act. The Administrator has the power and authority to (i) delegate to one or more other Persons any and all of the Administrator's rights, powers and duties to manage and control the business and affairs of the Fund, (ii) delegate any matters or actions that it is authorized to perform under this Agreement to employees or agents of the Administrator, and (iii) appoint any Persons, with titles as the Administrator may select, to act on behalf of the Fund, with power and authority as the Administrator may delegate from time to time. Any such delegation may be irrespective of whether the Administrator has a conflict of interest which respect to the matter as to which its rights, powers, or duties are being delegated and the Persons to whom any such rights, powers or duties are being delegated shall not be deemed conflicted solely by reason of any conflict of interest of the Administrator. The Administrator may engage, appoint, employ, contract, or otherwise deal with the Platform or another service provider to perform certain administrative functions for the Fund, including but not limited to accounting, financial reporting, recording capital contributions and preparing capital account statement, and filing taxes.

(b) Subject to any provisions of this Agreement and in accordance with the Advisory Agreement, the Administrator delegates to the Advisor broad power and authority over the Fund investment decision, deployment of Fund assets, and any decisions the Fund may be asked to make as holder of the Portfolio Company Securities, including Distributions. If the Administrator is unable to obtain advice from the Advisor or Organizer, as applicable, regarding such decision within ten (10) days from a request for advice or such earlier deadline as provided by a third party, then the Fund may poll, at the Administrator's discretion, the Members, and will follow the decision of a Majority in Interest; provided that a Majority in Interest respond within five (5) days following such poll; provided, further, that the Administrator shall have the discretion to extend or decrease (in exigent circumstances) the poll period in its sole discretion. If no Members respond, then the Fund will follow the majority vote of other holders of Portfolio Company Securities asked to participate in the decision.

(c) The Administrator also delegates to the Organizer the strategic business operations of the Fund including, but not limited to, engagement with a third party, the admission of Members, the determination of the date of the dissolution of the Fund, and the allocation of specific Net Income and Net Loss. Further, the Organizer hereby directs the Administrator to enter into, on behalf of the Fund, such Administrator's standard services agreements for the creation and management of this Fund, including the Administrator's standard Master Services Agreement and Statements of Work, as may be revised from time to time, digital copies of which shall be made available to Members, the Organizer and the Adviser upon request.

(d) Any delegation may be rescinded at any time by the Administrator.

- (e) Any delegation by the Administrator shall not cause the Administrator to cease to be a “manager” (as defined in the Act) of the Fund or cause any Person to whom any such rights, powers and duties have been delegated to be a “manager” (as defined in the Act) of the Fund.
- (f) For any decisions delegated to the Advisor or the Organizer, as applicable, the Administrator shall act upon their instruction and/or advice which may be communicated electronically.
- (g) If there is an Advisor designated on Exhibit D, it may delegate any matters or actions that it is authorized to perform under this Agreement to the Organizer.
- (h) Third parties dealing with the Fund may rely conclusively upon any certificate of the Administrator to the effect that it is acting on behalf of the Fund. The signature of the Administrator will be sufficient to bind the Fund in every manner to any agreement or on any document, provided that the Administrator may delegate such authority to the Organizer, the Advisor and any other party from time to time.
- (i) Notwithstanding any other provision of this Agreement or otherwise applicable provision of law or equity, whenever in this Agreement, the Administrator, the Organizer, or the Advisor is permitted or required to make a decision (i) in its “sole discretion” or “discretion” or under a grant of similar authority or latitude, the Administrator, the Organizer, or the Advisor will be entitled to consider only those interests and factors as it desires, including its own interests, and will, to the fullest extent permitted by applicable law, have no duty or obligation to give any consideration to any interest of or factors affecting the Fund or the Members, or (ii) in its “good faith” or under another expressed standard, the Administrator, the Organizer, or the Advisor, as applicable, shall act under that express standard and will not be subject to any other or different standards. Unless otherwise expressly stated, for purposes of this Article IV.1(i), the Administrator, the Organizer, and the Advisor will each be deemed to be permitted or required to make all decisions hereunder in its sole discretion.

IV.2 The Administrator and the Organizer May Engage in Other Activities.

- (a) Subject to the terms of any employment or consulting agreement between the Administrator and the Fund, neither the Administrator nor the Organizer is obligated to devote all of its time or business efforts to the affairs of the Fund, *provided* that the Administrator shall devote the time, effort and skill as it determines in its sole discretion may be necessary or appropriate for the proper operation of the Fund.
- (b) Subject to the foregoing, the Administrator and the Organizer may have other business interests and may engage in other activities in addition to those related to the Fund.
- (c) The Administrator, the Organizer and their respective Affiliates may acquire interests in the Fund or other Funds managed or administered by the Administrator, the Organizer or their respective Affiliates.
- (d) The Administrator, the Organizer and their respective Affiliates may acquire or possess interests in a Portfolio Company and the interests may be of a different class or type, with different rights and preferences, than those held by the Fund. Likewise, the Administrator, the Organizer and their respective Affiliates may acquire or possess interests in other companies or business ventures that are competitive with a Portfolio Company or the Fund.
- (e) Neither the Fund nor any Member will have the right, by virtue of this Agreement, to share or participate in other investments or activities of the Administrator or the Organizer or to the income derived therefrom.

(f) Except as expressly set forth in this Agreement, the Administrator, the Organizer, the Advisor and each Member, and their respective Affiliates may engage in or possess any interest in other business ventures of any kind, nature or description, independently or with others, whether those ventures are competitive with the Fund or otherwise.

IV.3 Duties and Obligations of the Administrator.

(a) The Administrator shall take all action that may be necessary or appropriate for the continuation of the Fund's valid existence and authority to do business as a limited liability company under the laws of the State of Delaware and of each other jurisdiction in which authority to do business is, in the judgment of the Administrator, necessary or advisable.

(b) The Administrator may from time-to-time open bank accounts in the name of the Fund and the Administrator or a representative of the Administrator will be the signatory on the bank accounts.

(c) The Administrator shall prepare or cause to be prepared and shall file on or before the due date (or any extension) any federal, state or local tax returns required to be filed by the Fund.

(d) The Administrator shall cause the Fund to pay any taxes or other governmental charges levied against or payable by the Fund; *provided, however*, that the Administrator will not be required to cause the Fund to pay any tax so long as the Administrator or the Fund is in good faith and by appropriate legal proceedings contesting the validity, applicability or amount of the tax and the contest does not materially endanger any right or interest of the Fund. If deemed appropriate or necessary by the Administrator, the Fund may establish reasonable reserves to fund its actual or contingent obligations under this Article IV.3(d).

(e) The Administrator shall use its commercially reasonable efforts to ensure that at no time the equity participation in the Fund by "benefit plan investors" be "significant" within the meaning of the Plan Asset Regulation. If the Administrator becomes aware that the assets of the Fund at any time are likely to include plan assets of a benefit plan investor, the Administrator may require any or all of the ERISA Members to immediately withdraw so much of their capital in the Fund as might be necessary to maintain the investment of those Members at a level so that the assets of the Fund are not deemed to include plan assets under ERISA.

(f) Notwithstanding anything in this Agreement to the contrary, **the Administrator does not, and will not owe any fiduciary duties of any kind whatsoever to the Fund, or to any of the Members, by virtue of its role as the Administrator**, including, but not limited to, the duties of due care and loyalty, whether those duties were established as of the date of this Agreement or any time hereafter, and whether established under common law, at equity or legislatively defined. It is the intention of the Parties that those fiduciary duties be affirmatively eliminated as permitted by Delaware law and under the Act and the Members hereby waive any rights with respect to those fiduciary duties.

IV.4 Specific Authority of the Administrator. The Administrator is vested with the authority to submit regulatory and tax filings on behalf of the Fund, including, an application to secure a federal Employer Identification Number for the Fund. The Administrator may delegate its authority under this Article IV.4 to a designee in its sole discretion.

IV.5 Removal or Resignation of the Administrator. Notwithstanding anything to the contrary set forth in this Agreement, the Administrator may be removed with or without cause at any time by and in the sole discretion of the Organizer. The Administrator may resign at any time upon ten (10) days' prior written notice to the Members and the Organizer. Upon resignation or removal, the Organizer or, if the

Organizer does not take action within a reasonable period of time not to exceed ten (10) Business Days, a Majority in Interest may appoint a successor Administrator. The resignation or removal of the Administrator will not dissolve the Fund. The Administrator will not be required to return any fee previously paid. In the event of any conflict between the Organizer and a Majority in Interest with respect to this Article IV.5, the Organizer's decision will control.

IV.6 Liability for Certain Acts. The Administrator shall exercise its business judgment in managing the business operations and affairs of the Fund. Neither the Administrator nor the Organizer will be liable or obligated to the Members for any loss of investment or operations, or mistake of fact or judgement unless fraud, gross negligence, willful misconduct or a wrongful taking is proven by a court of competent jurisdiction. Neither the Administrator nor the Organizer guarantees, in any way, the return of any Member's Capital Contribution or a profit for the Members from the operation of the Fund. Neither the Administrator nor the Organizer will incur any liability to the Fund or to any of the Members as a result of engaging in any other business or venture.

Article V

ALLOCATIONS OF NET INCOME AND NET LOSS

V.1 Allocation of Net Income and Net Loss. Except as otherwise provided in this Agreement, Net Income and Net Loss (including individual items of profit, income, gain, loss, credit, deduction and expense) of the Fund will be allocated among the Members in a manner such that the Capital Account balance of each Member, immediately after making that allocation, is, as nearly as possible, equal (proportionately) to the Distributions that would be made to that Member pursuant to Article IX.4 if the Fund was dissolved, its affairs wound up and its assets sold for cash equal to their Fair Market Value, all Fund liabilities were satisfied (limited with respect to each nonrecourse liability to the Fair Market Value of the assets securing that liability), and the net assets of the Fund were distributed in accordance with Article IX.4 to the Members immediately after making that allocation, adjusted for applicable special allocations, computed immediately prior to the hypothetical sale of assets; provided, that, for the avoidance of doubt, the Management Fee (or any other fees specifically attributable to or calculated with respect to each Member by the Administrator, as instructed by the Organizer, or pursuant to the terms hereof) shall be allocated among the Members in accordance with the amount of the Applicable Management Fee (or such other fees) calculated by the Administrator, as instructed by the Organizer, with respect to each Member.

V.2 Allocation Rules. In the event that Members are issued Interests on different dates, the Net Income or Net Loss allocated to the Members for each Fiscal Year during which Members receive Interests will be allocated among the Members in accordance with Section 706 of the Code, using any convention permitted by law and selected by the Administrator. For purposes of determining the Net Income, Net Loss and individual items of income, gain, loss credit, deduction and expense allocable to any period, Net Income, Net Loss and any other items will be determined on a daily, monthly or other basis, as determined by the Administrator using any method that is permissible under Section 706 of the Code and the Treasury Regulations. Except as otherwise provided in this Agreement, all individual items of Fund income, gain, loss and deduction will be divided among the Members in the same proportions as they share Net Incomes and Net Loss for the Fiscal Year or other period in question.

V.3 Limitation on Allocation of Net Losses. There will be no allocation of Net Losses to any Member to the extent that the allocation would create a negative balance in the Capital Account of that Member (or increase the amount by which that Member's Capital Account balance is negative).

V.4 General Tax Allocations. Except as otherwise provided in this Article V.4, the taxable income or loss of the Fund will be allocated pro rata among the Members in the same manner as the corresponding items of Net Income, Net Loss and separate items of income, gain, loss, credit, deduction and expense (excluding items for which there are no related tax items) are allocated among the Member for Capital Account purposes.

V.5 Special Tax Allocations.

(a) *Minimum Gain Chargeback.* In the event there is a net decrease in the Fund Minimum Gain during any Fiscal Year, the minimum gain chargeback provisions described in Sections 1.704-2(f) and (g) of the Treasury Regulations will apply.

(b) *Member Minimum Gain Chargeback.* In the event there is a net decrease in Member Minimum Gain during any Fiscal Year, the partner minimum gain chargeback provisions described in Section 1.704-2(i) of the Treasury Regulations will apply.

(c) *Qualified Income Offset.* In the event a Member unexpectedly receives an adjustment, allocation or Distribution described in of Section 1.704-1(b)(2)(ii)(d)(4), (5) or (6) of the Treasury Regulations, which adjustment, allocation or Distribution creates or increases a deficit balance in that Member's Capital Account, the "qualified income offset" provisions described in Section 1.704-1(b)(2)(ii)(d) of the Treasury Regulations will apply.

(i) *Nonrecourse Deductions.* Nonrecourse Deductions will be allocated in accordance with and as required in the Treasury Regulations.

(ii) *Member Nonrecourse Deductions.* Member Nonrecourse Deductions will be allocated to the Members as required in Section 1.704-2(i)(1) of the Treasury Regulations.

(iii) *Intention.* The special allocations in this Article V.5 are intended to comply with certain requirements of the Treasury Regulations and will be interpreted consistently. It is the intent of the Members that any special allocation pursuant to this Article V.5 will be offset with other special allocations pursuant to this Article V.5. Accordingly, special allocations of Fund income, gain, loss or deduction will be made in such manner so that, in the reasonable determination of the Administrator, taking into account likely future allocations under this Article V.5, after those allocations are made, each Member's Capital Account is, to the extent possible, equal to the Capital Account it would have been were this Article V.5 not part of this Agreement.

(d) *Recapture Items.* In the event that the Fund has taxable income in any Fiscal Year that is characterized as ordinary income under the recapture provisions of the Code, each Member's distributive share of taxable gain or loss from the sale of Fund assets (to the extent possible) will include a proportionate share of this recapture income equal to that Member's share of prior cumulative depreciation deductions with respect to the assets which gave rise to the recapture income.

(e) *Tax Credits and Similar Items.* Allocations of tax credits, tax credit recapture, and any items related thereto will be allocated in those items as determined by the Administrator considering the principles of Treasury Regulation Section 1.704-1(b)(4)(ii).

(f) *Consistent Treatment.* All items of income, gain, loss, deduction and credit of the Fund will be allocated among the Members for federal income tax purposes in a manner consistent with the allocation under this Article V. Each Member is aware of the income tax consequences of the allocations made by

this Article V and hereby agrees to be bound by the provisions of this Article V in reporting its share of Fund income and loss for income tax purposes. No Member will report on its tax return any transaction by the Fund, any amount allocated or distributed from the Fund or contributed to the Fund inconsistently with the treatment reported (or to be reported) by the Fund on its tax return nor take a position for tax purposes that is inconsistent with the position taken by the Fund.

(g) *Modifications to Preserve Underlying Economic Objectives.* If, in the opinion of counsel to the Fund, there is a change in the Federal income tax law (including the Code as well as the Treasury Regulations, rulings, and administrative practices thereunder) which makes modifying the allocation provisions of this Article V necessary or prudent to preserve the underlying economic objectives of the Members as reflected in this Agreement, the Administrator will make the minimum modification necessary to achieve that purpose.

(h) *Allocation of Excess Nonrecourse Liabilities.* “Excess nonrecourse liabilities” of the Fund as used in Section 1.752-3(a)(3) of the Treasury Regulations will first be allocated among the Member pursuant to the “additional method” described in that section and then in accordance with the manner in which the Administrator expects the nonrecourse deductions allocable to those liabilities will be allocated.

V.6 Allocations in Respect of a Transferred Interest. Except as otherwise provided in this Agreement, amounts of Net Income, Net Loss and special allocations allocated to the Members will be allocated among the appropriate Members in proportion to their respective Interests. If there is a change in any Member’s Interest for any reason during any Fiscal Year, each item of income, gain, loss, deduction or credit of the Fund for that Fiscal Year will be assigned pro rata to each day in that Fiscal Year in the case of items allocated based on Interests, and the amount of that item so assigned to that day will be allocated to the Member based upon that Member’s Interest at the close of that day. Notwithstanding the immediately preceding sentence, the net amount of gain or loss realized by the Fund in connection with a sale or other disposition of property by the Fund will be allocated solely to the Members having Interests on the date of that sale or other disposition.

V.7 Allocations in Year of Liquidation Event. Notwithstanding anything else in this Agreement to the contrary, the Parties intend for the allocation provisions of this Article V to produce final Capital Account balances of the Members that will permit liquidating Distributions to be made pursuant to the order set forth in Article IX.4. To the extent that the allocation provisions of this Article V would fail to produce the final Capital Account balances, the Administrator may elect, in its sole discretion, to (a) amend those provisions if and to the extent necessary to produce that result and (b) reallocate income and loss of the Fund for prior open years (including items of gross income and deduction of the Fund for those years) among the Members to the extent it is not possible to achieve that result with allocations of items of income (including gross income) and deduction for the current year and future years, as approved by the Administrator. This Article V.7 will control notwithstanding any reallocation or adjustment of taxable income, taxable loss, or related items by the Internal Revenue Service or any other taxing authority. The Administrator will have the power to amend this Agreement without the Consent of the other Members, as it reasonably considers advisable, to make the allocations and adjustments described in this Article V.7. To the extent that the allocations and adjustments described in this Article V.7 result in a reduction in the Distributions that any Member will receive under this Agreement compared to the amount of the Distributions that Member would receive if all those Distributions were made pursuant to the order set forth in Article IX.4, the Fund may make a guaranteed payment (within the meaning of Section 707(c) of the Code) to that Member (to be made at the time that Member would otherwise receive the Distributions that have been reduced) to the extent that payment does not violate the requirements of Sections 704(b) and 514(c)(9)(E) of the Code or may take other action as reasonably determined by the Administrator to offset that reduction.

Article VI

DISTRIBUTIONS

VI.1 Generally. The Fund will first use available assets to repay outstanding debts and obligations, if any, of the Fund, including to pay or settle any accrued and unpaid Fund Expenses and to pay the Organizer any accrued and unpaid Management Fee. Then, subject to Article VI.6, the Fund will make Distributions, at times and intervals as the Advisor shall determine and direct the Administrator; provided, that, if the Advisor provides no such direction within a reasonable time following a Portfolio Company liquidation event, the Administrator shall have the discretion to make such Distributions at such times and intervals as it determines but, in no event, earlier than the expiration of the Lock-Up Period in respect of Portfolio Company Securities to be distributed. All distributions shall first be apportioned (solely as an interim step in calculating distributions pursuant to this Article VI.1) among the Members pro rata in accordance with their respective Capital Contributions. Any such amounts initially apportioned to a Member will be distributed between such Member and the Advisor in the following order of priority:

- (a) First, to such Member, until such Member has received aggregate Distributions in an amount equal to that Member's Capital Contribution; and then
- (b) The Applicable Carry Percentage of the remainder to the Advisor, if any; and the remainder to the Member.

The Advisor may, in its sole discretion, share with one or more Persons all or any portion of any Distribution made to it under this Article VI.1. For the avoidance of doubt, any expenses relating to brokerage commissions, escrow fees, clearing and settlement charges, custodial fees, and any other costs relating to the transfer of Portfolio Company Securities or other assets to the Members following a Liquidity Event ("**Distribution Expenses**") will be paid by the Fund prior to any Distributions. The amount of assets that are distributable to the Members will be net of those expenses.

If the Organizer or Administrator has been prepaid any fees (including the Management Fee) that remain unearned as of the date final Distributions are made to Members pursuant to this Article VI.1 (the "**Unearned Fees**"), then the Organizer or Administrator shall cause such Unearned Fees to be returned to the Fund or otherwise paid to the Members such that the final distributions to Members pursuant to this Article VI.1 include the amount of any Unearned Fees.

VI.2 Non-Cash Distributions. Whenever a Distribution provided for in this Article VI.2 is payable in property other than cash, the value of the Distribution will be deemed to be the Fair Market Value of that property as determined in good faith by the Advisor.

VI.3 Return of Distributions. Any Member receiving a Distribution in violation of the terms of this Agreement shall return that Distribution (or cash equal to the net fair value of any property so distributed, determined as of the date of Distribution) promptly following the Member's receipt of a request to return the Distribution from the Administrator or from any other Member. No third party will be entitled to rely on the obligations to return Distributions set forth in this Agreement or to demand that the Fund or any Member make any request for any return.

VI.4 Form of Distribution. Distributions pursuant to this Article VI will be comprised of (i) Portfolio Company Securities, and/or (ii) Distributable Cash or other securities if and to the extent that, in connection with a Liquidity Event, the Fund receives Distributable Cash or other securities in exchange for Portfolio Company Securities. Interim Distributions will be made at times as the Advisor or the

Administrator determines. Notwithstanding the foregoing, no Distribution of securities will be made to any Member to the extent that Member would be prohibited by applicable law from holding those securities. Unless otherwise agreed to by the Administrator, Distributions to any Member will be made to such member's brokerage account; provided that any Distributable Cash Distribution may, in the discretion of the Advisor or the Administrator, be made, in whole or in part, to the account from which the attributable Capital Contribution was paid.

VI.5 Amounts Withheld. Any amounts withheld with respect to a Member pursuant to any federal, state, local or foreign tax law from a Distribution by the Fund to the Member or payment to the Fund attributable to a Member will be treated as paid or distributed, as the case may be, to the Member for all purposes of this Agreement. In addition, the Fund may withhold from Distributions amounts deemed necessary, in the discretion of the Advisor or the Administrator, to be held in reserve for payment of accrued or foreseeable permitted expenses of the Fund. Each Member hereby agrees to indemnify and hold harmless the Fund from and against any liability with respect to income attributable to or Distributions or other payments to that Member. Any other amount that the Administrator determines is required to be paid by the Fund to a taxing authority with respect to a Member pursuant to any federal, state, local or foreign tax law in connection with any payment to or tax liability (estimated or otherwise) of the Member (including with respect to a federal income tax audit of the Fund or state income taxes paid by the Fund) shall be treated as a loan from the Fund to that Member. If that loan is not repaid within 30 days from the date on which the Administrator notifies that Member of that withholding, the loan will bear interest from the date of the applicable notice to the date of repayment at a rate at the lesser of (a) the Prime Rate plus 4% or (b) the maximum legal interest rate under applicable law, compounded annually. In addition to all other remedies the Fund may have, the Fund may withhold Distributions that would otherwise be payable to that Member and apply that amount toward repayment of the loan and interest. Any payment made by a Member to the Fund pursuant to this Article VI.5 will not constitute a Capital Contribution. A Member's obligation to make payments to the Fund under this Article VI.5 shall survive the transfer, forfeiture or other disposition of the Member's Interest and the dissolution, liquidation, winding up and termination of the Fund, and, to the maximum extent not prohibited by applicable law, for purposes of this Article VI.5, the Fund shall be treated as continuing in existence. The Fund, the Organizer, or the Administrator may pursue and enforce all rights and remedies it may have against each Member under this Article VI.5, including instituting a lawsuit to collect such contribution with interest calculated at an annual compounded rate equal to the Prime Rate plus 4% (but not in excess of the highest rate per annum permitted by applicable law as determined by the Administrator).

VI.6 Member Giveback.

(a) If the Fund incurs any Liability, the Advisor may recall distributions made pursuant to this Agreement pro rata according to the amount that such Liability would have reduced the distributions received by the Members pursuant to this Agreement had such Liability been incurred by the Fund prior to the time such distributions were made (in each case, which recalled amounts shall be funded by the Members within 10 (1) Business Days after the date of any notice in the form of a Capital Call Notice or other written request by the Administrator), but in no event shall any Member be required, by applicable law, to contribute amounts pursuant to this Article VI.6 that in the aggregate exceed the lesser of (i) the aggregate amount of distributions (excluding distributions in respect of Tax Amounts attributable to the Carried Interest) received by such Member from the Fund pursuant to this Agreement and (ii) 20% of such Member's Subscription Amount (other than with respect to returns of Carried Interest distributions). Following any return of distributions pursuant to this Article VI.6(a), the amount of the Advisor's giveback obligation pursuant to Article VI.9 shall be adjusted accordingly.

(b) Any amounts contributed by a Member pursuant to Article VI.6(a) shall be credited to such Member's Capital Account but shall not constitute a Capital Contribution hereunder. Any debit pursuant

to Article II.2 on account of a Liability shall be allocated to the Members' Capital Accounts after crediting the contributions required by this Article VI.6 to the Members' Capital Accounts.

(c) A Member's obligation to make contributions under this Article VI.6 shall survive the dissolution, liquidation, winding up and termination of the Fund; provided that, no Member shall be required to return any distribution pursuant to this Article VI.6 after the third anniversary of the Fund's final liquidating distribution; provided, further, that such period shall toll if the Administrator has provided notice to the Members at any time before the expiration of such period that (x) the Fund is in the process of litigating, arbitrating, settling or otherwise resolving any Fund Expense or matter that may involve a liability of the Fund, or (y) the Administrator believes that there is a reasonable likelihood that the Fund will be required to return proceeds from an investment to any other investment counterparty. The Fund may pursue and enforce all rights and remedies it may have against each Member under this Article VI.6, including instituting a lawsuit to collect any contribution with interest from the date such contribution was required to be paid under Article VI.6(a) calculated at a rate equal to the Prime Rate plus 6% per annum (but not in excess of the highest rate per annum permitted by applicable law as determined by the Administrator).

(d) Nothing in this Article VI.6 is intended to or shall provide any Person that is not a party hereto with any rights or remedies with respect to or under this Agreement.

(e) Notwithstanding the foregoing, the Members will be obligated to return distributions in accordance with the procedures of this Article VI.6, disregarding any of the limitations contained herein, to enable to the Fund to satisfy any obligation it may have from time to time to return amounts distributed to the Fund.

VI.7 No Creditor Status. A Member will not have the status of, and is not entitled to the remedies available to, a creditor of the Fund with regard to Distributions that the Member becomes entitled to receive pursuant to this Agreement and the Act.

VI.8 Limitations on Distributions. Notwithstanding any provision to the contrary contained in this Agreement, the Fund shall not make a Distribution to any Member on account of its Interest if the Distribution would violate the Act or other applicable law.

VI.9 Advisor Give Back. If, after the final distribution of the Fund's assets among the Members as provided in Article VI.1 and Article IX.4, with respect to each Member, the amount of Carried Interest actually distributed to the Advisor with respect to any such Member exceeds the amount of Carried Interest that would have been distributed to the Advisor in respect of such Member had all of the distributions made by the Fund in respect of such Member been made as of the date of such final distribution, then the Advisor shall contribute to the Fund, and the Fund shall, subject to the Act, promptly following receipt, distribute to such Member, such excess amount; provided that the Advisor shall not be obligated to make capital contributions with respect to any Member pursuant to this Article VI.9 in excess of an amount equal to (x) 100% of the net amount of Carried Interest distributions made to the Advisor with respect to such Member during the life of the Fund and not otherwise returned to the Fund or such Member by the Advisor (or its beneficial owners), minus (y) aggregate Tax Amounts attributable to the Carried Interest with respect to such Member. The Advisor shall be obligated to restore its negative Capital Account, if any, only to the extent otherwise set forth in this Article VI.9. The calculation of the amount that the Advisor shall contribute to the Fund pursuant to this Article VI.9 with respect to each Member shall be made after giving effect to any return of distributions made by such Member to the Fund pursuant to Article VI.6.

Article VII

TRANSFERS

VII.1 Transfers.

(a) Except as otherwise expressly provided in this Article VII, no Member may Transfer all or any portion of its Interests without obtaining prior written approval of the Administrator, which approval may be withheld, conditioned, or delayed in the Organizer or the Administrator's discretion. Any attempted Transfer in violation of this Article VII will be null and void *ab initio*, and will not bind the Fund.

(b) Notwithstanding the foregoing, the Administrator, the Organizer and the Advisor will be allowed to Transfer their respective Interests to their respective Affiliates, *provided* that the Administrator, the Organizer or the Advisor, as applicable, continue to control the Interests.

VII.2 Further Restrictions on Transfers. Notwithstanding anything in this Agreement to the contrary, in addition to any other restrictions on a Transfer of an Interest, no Interest may be Transferred (a) without compliance with the Securities Act and any other applicable securities or "blue sky" laws, (b) if, in the determination of the Administrator, the Transfer could result in the Fund not being classified as a partnership for federal income tax purposes, (c) if, in the determination of the Administrator, the Transfer could cause the Fund to become subject to the Investment Company Act of 1940, as amended (the "**Investment Company Act**") or (d) the transferee is a minor or incompetent, (e) such Transfer would cause the Fund to become a "publicly traded partnership," as such term is defined in Sections 469(k)(2) or 7704(b) of the Code, or (f) such Transfer involves Interests being traded on an "established securities market" or a "secondary market or the substantial equivalent thereof" as those terms are defined in Treasury Regulations Section 1.7704-1 (in addition, such Transfers will not be "recognized," as that term is defined in Treasury Regulations Section 1.7704-1(d)(2), by the Fund).

VII.3 Permitted Transfers. Except for the requirement to receive approval from the Administrator, all other restrictions upon Transfer specified in Article VII.1 will not apply to any Transfer (a) by a Member who is an individual to (i) that Member's spouse, ex-spouse or domestic partner; (ii) that Member's or Member's spouse's lineal descendants; (iii) any family limited partnership or other entity controlled (which for this purpose shall require that the Member own more than 50% of the equity securities of that entity) by that Member, (iv) a trust established solely for the benefit of that Member, Member's spouse or lineal descendants without regard to age, and (v) from any trust to the beneficiaries of that trust; or (b) by a Member to another Member (each transferee, a "**Permitted Transferee**"); *provided, however*, that the Permitted Transferee (other than a Person who is already a Member) pursuant to the foregoing clauses (a), (b) and (c) agrees in writing to become a party to this Agreement and to be subject to the terms and conditions of this Agreement. Notwithstanding the foregoing in this Article VII.3, any permitted Transfer must be approved by the Administrator, which approval will not be unreasonably withheld.

VII.4 Admission of Transferee as a Member. A Transfer permitted by the Administrator will only transfer the rights of an assignee as set forth in Article VII.6 unless (a) the transferee is a Member or is admitted as a Member and (b) payment to the Fund of a transfer fee in cash which is sufficient, in the Administrator's sole determination, to cover all reasonable expenses incurred by the Fund in connection with the Transfer and admission of the transferee as a Member.

VII.5 Involuntary Transfer of Interests. In the event of any involuntary transfer of Interests to a Person, that Person will have only the rights of an assignee set forth in Article VII.6 with respect to those Interests, *provided, however*, that any involuntary Transfer of Interests to a Person that would cause a

violation of this Agreement shall be void ab initio and subject to Article VII.9 of this Agreement as it is related to the transferor involved or proposing in such Transfer.

VII.6 Rights of Assignee. An assignee has no right to vote, receive information concerning the business and affairs of the Fund and is entitled only to receive Distributions and allocations attributable to the Interest held by the assignee as determined by the Administrator and in accordance with this Agreement.

VII.7 Enforcement. The restrictions on Transfer contained in this Agreement are an essential element in the ownership of an Interest. Upon application to any court of competent jurisdiction, an Administrator will be entitled to a decree against any Person violating or about to violate those restrictions, requiring their specific performance, including those prohibiting a Transfer of all or a portion of its Interests.

VII.8 Death or Disability of a Member. Upon the death or Disability of a Member, that Member will cease to be a member of the Fund and that disabled Member or the legal representative of that deceased Member's estate (or the trustee of a living trust established by that deceased Member if that Member's Interests have been transferred to a trust) will have the rights only of an assignee.

VII.9 Compulsory Redemption. The Administrator may, by notice to any Member, force the redemption and/or sale of all or a portion of that Member's Interest on terms as the Administrator determines to be fair and reasonable, or take other action as it determines to be fair and reasonable in the event that the Administrator determines or has reason to believe that: (i) that Member has attempted to effect a Transfer of, or a Transfer has occurred with respect to, any portion of that Member's Interest in violation of this Agreement; (ii) continued ownership of that Interest by that Member is reasonably likely to cause the Fund to be in violation of securities laws of the United States or any other relevant jurisdiction or the rules of any self-regulatory organization applicable to the Administrator, Advisor or its Affiliates; (iii) continued ownership of that Interest by that Member may be harmful to the business or reputation of the Fund or the Administrator or the Advisor, or may subject the Fund or any Members to a risk of adverse tax or other fiscal consequence, including adverse consequences under ERISA; (iv) any of the material representations or warranties made by that Member under this agreement or under any Subscription Agreement signed by that Member in connection with the acquisition of an Interest was not true when made or has ceased to be true; (v) any portion of that Member's Interest has vested in any other Persons by reason of the bankruptcy, dissolution, incompetency or death of that Member; or (vi) it would not be in the best interests of the Fund, as determined by the Organizer or the Administrator, for that Member to continue ownership of its Interest; provided, however, that the Organizer or the Administrator shall discuss with the Member in good faith. Upon the redemption and/or sale of a Member's Interest pursuant to this section, such Member shall automatically be deemed to have withdrawn as a Member and shall no longer hold any interest in the Fund.

VII.10 Derivative Transactions. No Member may, without providing the Administrator with a written opinion of counsel regarding the compliance of the proposed transfer with all applicable securities laws, and the prior written Consent of the Organizer or the Administrator (which may be granted, withheld, conditioned or delayed in its discretion), directly or indirectly, (i) offer, pledge, sell, contract to sell, sell any option or contract to purchase, purchase any option or contract to sell, grant any option, right or warrant to purchase, lend, or otherwise assign, transfer or dispose of any Interests or Portfolio Company Securities, or publicly disclose the intention to make any offer, sale, pledge or disposition, or (ii) engage in any short selling of any Interests or Portfolio Company Securities. Notwithstanding the foregoing, any permitted transfers of Interests that are approved by the Administrator will be governed by Article VII.

Article VIII

RECORDS, REPORTS AND TAXES

VIII.1 Books and Records. The Administrator will maintain all of the information required to be maintained by the Act at the Fund's principal office or in the Platform, with copies available at all times during normal business hours for inspection and copying upon reasonable notice by any Member or its authorized representatives for any purpose reasonably related to that Member's status as a member, including as applicable:

- (a) promptly after becoming available, a copy of the Fund's federal, state and local income tax returns, if any, for each Fiscal Year;
- (b) a current list of the full name and last known business, residence or mailing address of that Member and the Administrator;
- (c) a copy of this Agreement and all amendments, together with executed copies of (i) any powers of attorney and (ii) any other document pursuant to which this Agreement or any amendments have been executed or have been deemed to be executed; and
- (d) true and full information regarding the amount of Capital Contributions made by that Member and the date on which that Member became a Member.

VIII.2 Reports.

- (a) *Governmental Reports.* The Fund will file all documents and reports required to be filed with any governmental agency in accordance with the Act.
- (b) *Tax Reports.* The Fund will prepare and duly and timely file, at the Fund's expense, all tax returns required to be filed by the Fund. The Administrator will send or cause to be sent to each Member within 180 days after the end of each Fiscal Year, or a later date as determined in the discretion of the Administrator, information relating to the Fund as is necessary for the Member to complete its federal, state and local income tax returns that include that Fiscal Year.

VIII.3 Bank Accounts. All funds of the Fund will be deposited with banks or other financial institutions in the account or accounts of the Parent LLC or the Fund as may be determined by the Administrator who will ensure records are maintained for the Fund assets associated with the Fund separately from the assets of any other Person.

VIII.4 Tax Elections. Except as otherwise expressly provided in this Agreement, the Fund will make certain tax elections as the Administrator may determine.

VIII.5 Partnership Representative. The Administrator will be the "partnership representative" within the meaning of Code Section 6223 (the "**Partnership Representative**") and shall serve in any similar role for purposes of any state or local law. The Partnership Representative will have all of the powers and authority of a "partnership representative" under the Code. The Partnership Representative will represent the Fund (at the Fund's expense) in connection with all administrative and judicial proceedings by the Internal Revenue Service or any taxing authority involving any tax return of the Fund, and may expend the Fund's funds for professional services and associated costs. Promptly following the written request of the Partnership Representative, the Fund shall, to the fullest extent permitted by law, reimburse and indemnify the Partnership Representative for all reasonable expenses, including reasonable legal and

accounting fees, claims, liabilities, losses and damages incurred by the Partnership Representative, as applicable, in connection with any administrative or judicial proceeding with respect to the tax liability of the Members. The provisions of this Article VIII.5 shall survive the termination of the Fund and shall remain binding on the Members for as long a period of time as is necessary to resolve with the U.S. Internal Revenue Services any and all matters regarding the U.S. federal income taxation of the Fund or the Members.

VIII.6 Confidentiality. All information concerning the business, affairs and properties of the Fund and all of the terms and provisions of this Agreement will be held in confidence by the Administrator and Member and their respective Affiliates, subject to any obligation to comply with (a) any applicable law, (b) any rule or regulation of any legal authority or securities exchange, (c) any subpoena or other legal process to make information available to the Persons entitled thereto or (d) the enforcement of that Party's rights under this Agreement (or under any employment agreement with that Member, if any) in any legal process, arbitration, as a Member, Organizer, Administrator, Advisor or employee, as applicable. Confidentiality will be maintained until that time, if any, as the confidential information either is, or becomes, published or a matter of public knowledge (other than as a result of a breach of this Article VIII.6); provided that each Party recognizes that the privilege each has to maintain, in its sole discretion, the confidentiality of a communication relating to the transactions, including a confidential communication with its attorney or a confidential communication with a federally authorized tax practitioner under Section 7525 of the Code, is not intended to be affected by the foregoing provisions of this sentence. Notwithstanding this Article VIII.6, the Administrator may use confidential information about the Fund and its Members in data aggregation, so long as the data use does not include the disclosure of information that could reasonably be used to identify any Member.

Article IX

DISSOLUTION AND LIQUIDATION

IX.1 Dissolution. The Fund will be dissolved, its assets disposed of and its affairs wound up upon any of the following:

- (a) the Outside Date;
- (b) the final Distribution of the net assets of the Fund to the Members or a Liquidating Vehicle in accordance with Article IX.9;
- (c) the dissolution of the Parent LLC, unless otherwise determined by the Administrator or any successor entity;
- (d) determination by the Administrator and the Organizer to dissolve the Fund; or
- (e) entry of a judicial decree of dissolution of the Fund pursuant to the Act.

IX.2 Date of Dissolution. Dissolution of the Fund will be effective on the day on which the event occurs giving rise to the dissolution, but the Fund will not terminate until the assets of the Fund have been liquidated and distributed as provided in this Agreement. Prior to a dissolution pursuant to Article IX.1, the Administrator, at the Organizer's instruction, may extend the period of time between the date of Closing and the Outside Date by unlimited successive one-year periods, which extensions shall be automatic if the Administrator takes action to continue to administer the business activities of the Fund after the termination of the initial 10-year term or any successive one-year period thereafter.

Notwithstanding the dissolution of the Fund, prior to the termination of the Fund, the business of the Fund and the rights and obligations of the Members will continue to be governed by this Agreement.

IX.3 Winding Up. Upon the occurrence of any event specified in Article IX.1, the Fund will continue solely for the purpose of winding up its affairs in an orderly manner, liquidating its assets, satisfying the claims of its creditors, and distributing any remaining assets in cash or in kind, to the Members in accordance with this Agreement. The Liquidating Trustee will be responsible for overseeing the winding up and liquidation of the Fund and will cause the Fund to sell or otherwise liquidate all of the Fund's assets except to the extent the Liquidating Trustee determines to distribute any assets to the Members in kind, discharge or make provision for all liabilities of the Fund and all costs relating to the dissolution, winding up, and liquidation and distribution of assets, establish reserves as may be necessary to provide for contingent liabilities of the Fund (for purposes of determining the Capital Accounts of the Members, the amounts of those reserves will be deemed to be an expense of the Fund and will be deemed income to the extent it ceases to be reserved), and distribute the remaining assets to the Members, in the manner specified in Article IX.4. The Liquidating Trustee will be allowed a reasonable time for the orderly liquidation of the Fund's assets and discharge of its liabilities, so as to preserve and upon disposition maximize, to the extent possible, the value of the Fund's assets.

IX.4 Liquidation. The Fund's assets, or the proceeds from the liquidation of the Fund's assets, will be paid or distributed in the following order:

- (a) first, to creditors to the extent otherwise permitted by applicable law in satisfaction of all liabilities and obligations of the Fund, including expenses of the liquidation (whether by payment or the making of reasonable provision for payment), other than liabilities for which reasonable provision for payment has been made and liabilities, if any, for Distributions to Members;
- (b) next, to the establishment of those reserves for contingent liabilities of the Fund as are deemed necessary by the Liquidating Trustee (other than liabilities for which reasonable provision for payment has been made and liabilities, if any, for Distribution to Members and former Members under the Act);
- (c) next, to Members and former Members in satisfaction of any liabilities for Distributions under the Act, if any;
- (d) next, to the Members, on a pro rata basis in the order of priority set forth in Article VI.

IX.5 Distributions in Kind. Any non-cash asset distributed to one or more Members will first be valued by the Advisor, if applicable, or the Administrator in consultation with the Advisor, at its Fair Market Value to determine the Net Income, Loss and special allocations that would have resulted if that asset had been sold for that value, which amounts will be allocated pursuant to Article V, and the Members' Capital Accounts will be adjusted to reflect those allocations. The amount distributed and charged to the Capital Account of each Member receiving an interest in the distributed asset will be the Fair Market Value of that interest (net of any liability secured by the asset that the Member assumes or takes subject to).

IX.6 No Liability. Notwithstanding anything in this Agreement to the contrary, upon a liquidation within the meaning of Section 1.704-1(b)(2)(ii)(g) of the Treasury Regulations, if any Member has a negative Capital Account balance (after giving effect to all contributions, Distributions, allocations and other Capital Account adjustments for all Fiscal Years, including the Year in which that liquidation occurs), neither that Member nor the Administrator will have any obligation to make any contribution to the capital of the Fund, and the negative balance of that Member's Capital Account will not be considered a debt owed by that Member or the Administrator to the Fund or to any other Person for any purpose;

provided, however, that nothing in this Article IX.6 will relieve any Member from any liability under any promissory note or other affirmative commitment that Member has made to contribute capital to the Fund.

IX.7 Limitations on Payments Made in Dissolution. Except as otherwise specifically provided in this Agreement, each Member will be entitled to look only to the assets of the Fund for Distributions (including Distributions in liquidation) and the Parties will have no personal liability for any Distributions.

IX.8 Certificate of Cancellation. Upon completion of the winding up of the Fund's affairs, the Administrator will file a Certificate of Cancellation, as applicable.

IX.9 Conversion to a Trust. In connection with the liquidation of the Fund, the Administrator may appoint a third-party liquidator or custodian at the expense of the Fund or distribute the assets of the Fund to a liquidating trust or Entity for the benefit of the Members (a "**Liquidating Vehicle**"). Interests in any Liquidating Vehicle will generally be subject to terms comparable to Interests (including, for the avoidance of doubt, Distribution Expenses); provided that, in addition to other expenses contemplated in this Agreement, interests in a Liquidating Vehicle may be subject to actual expenses incurred in connection with the ongoing operations of the Liquidating Vehicle. The manager or the liquidating trustee, in its sole discretion, may establish reserves for contingencies under this Article IX.9, including with respect to interests in any liquidating vehicle.

Article X

LIMITATION OF LIABILITY; STANDARD OF CARE; INDEMNIFICATION

X.1 Limitation of Liability. Unless explicitly agreed upon, the debts, obligations and liabilities of the Fund, whether arising in contract, tort or otherwise, will be solely the debts, obligations and liabilities of the Fund, and will not be those of the Members, or the Covered Persons.

X.2 Standard of Care. Neither the Members nor the Covered Persons will have any personal liability whatsoever to the Fund, any Member, or their Affiliates on account of that Person's role within the Fund, or by reason of that Person's acts or omissions in connection with the conduct of the business of the Fund so long as that Person acts in good faith for a purpose which the Person reasonably believes to be in, or not opposed to, the best interests of the Fund. Notwithstanding the preceding, nothing contained in this Agreement will protect that Person against any liability to which that Person would otherwise be subject by reason of (a) any act or omission of that Person that involves gross negligence, willful misconduct, bad faith, fraud, or willful and material breach of a material provision of this Agreement or management agreement or (b) any transaction from which that Person or its Affiliate derives any improper personal benefit.

X.3 Indemnification. To the fullest extent permitted by applicable law, the Covered Persons will be entitled, out of the Fund assets, to be indemnified against and held harmless from any and all liabilities, judgments, obligations, losses, damages, claims, actions, suits or other proceedings (whether under the Securities Act, the Commodity Exchange Act, as amended, or otherwise, civil or criminal, pending or threatened, before any court or administrative or legislative body, and as the same are accrued, in which a Covered Person may be or may have been involved as a party or otherwise or with which he, she or it may be or may have been threatened, while in office or thereafter (a "**Proceeding**")) and reasonable costs, expenses and disbursements (including legal and accounting fees and expenses) of any kind and nature whatsoever (collectively, "**Covered Losses**") that may be imposed on, incurred by, or asserted at any time against a Covered Person (whether or not indemnified against by other parties) in any way related to

or arising out of this Agreement, the administration of the Fund, or the action or inaction of a Covered Person (including actions or inactions pursuant to Article IX on the Fund's dissolution or termination) or under contracts with the Fund, except that the Covered Persons will not be entitled to indemnity for Covered Losses with respect to any matter as to which a Covered Person has been finally adjudicated in any action, suit, or other proceeding, or otherwise by a court of competent jurisdiction, to have committed an act or omission involving his, her or its own gross negligence, willful misconduct, bad faith, fraud, or reckless disregard of his, her or its obligations under this Agreement. The indemnities contained in this Article X will survive the termination of this Agreement.

X.4 Contract Right; Expenses. The right to indemnification conferred in this Article X will be a contract right. A Covered Person's right to indemnification under this Agreement includes the right to require the Fund to advance the expenses incurred by that Covered Person in defending any Proceeding in advance of its final disposition subject to an understanding to return the amount so advanced if it is ultimately determined that the Covered Person has not met the standard of conduct required for indemnification.

X.5 Nonexclusive Right. The right to indemnification and the payment of expenses incurred in defending a Proceeding in advance of its final disposition conferred in this Article X will not be exclusive of any other right which any Person may have or later acquire under any statute or agreement, or under any insurance policy obtained for the benefit of any Covered Person.

X.6 Severability. If any provision of this Article X is determined to be unenforceable in whole or in part, that provision will nonetheless be enforced to the fullest extent permissible, it being the intent of this Article X to provide indemnification to all Persons eligible under this Agreement to the fullest extent permitted by applicable law.

X.7 Insurance. The Administrator may cause the Fund to purchase and maintain insurance on behalf of any Covered Person who is or was an agent of the Fund against any liability asserted against that Covered Person capacity as an agent.

X.8 Specific Protection of Administrator. To the greatest extent permitted under applicable law, and notwithstanding anything to the contrary herein, in no event shall the Administrator have any liability whatsoever to any party to this Agreement or other Person(s) having rights hereunder, if any, for any act or omission taken or omitted by the Administrator in accordance with the instructions of the Organizer or the Advisor, and each Member hereby knowingly, having had an opportunity to consult with counsel of its choosing, irrevocably waives and releases the Administrator from any claims resulting from, in connection with, or relating to any such action or omission.

X.9 Limitation of Liability. Notwithstanding anything in this Agreement to the contrary, and to the greatest extent permitted by applicable law, the liability of the Administrator to any Member under this Agreement shall be limited to such Member's pro rata portion (determined by reference to such Member's Subscription Amount divided by the total of the Members' Subscription Amounts) of the fees paid by the Fund to the Administrator pursuant to this Agreement.

X.10 Damages Waiver. In no event shall the Covered Person be liable to any party to this Agreement or any of such party's Affiliates for special, punitive, exemplary or incidental damages, consequential or indirect damages, or lost profits, diminution in value, losses calculated by reference to any multiple of earnings (or any other valuation methodology), damage to reputation or loss to goodwill, whether based on contract, tort, strict liability, other law or otherwise.

Article XI

POWER OF ATTORNEY

XI.1 Function of Power of Attorney. Each Member, by its execution of this Agreement, hereby irrevocably makes, constitutes and appoints each of the Administrator and the Liquidating Trustee, if any, in the capacity as Liquidating Trustee (each is referred to as the “**Attorney**”), as its true and lawful agent and attorney-in-fact, with full power of substitution and full power and authority in its name, place and stead, to make, execute, sign, acknowledge, swear to, record and file (i) this Agreement and any amendment to this Agreement that has been adopted as provided in this Agreement; (ii) the original Certificate of Formation and all amendments required or permitted by law or the provisions of this Agreement; (iii) all instruments or documents required to effect a redemption, sale, or other transfer of Interest pursuant to this Agreement, including pursuant to Article VII.9; (iv) all certificates and other instruments deemed advisable by the Administrator or the Liquidating Trustee, if any, to carry out the provisions of this Agreement, and applicable law or to permit the Fund to become or to continue as a limited liability company wherein the Members have limited liability in each jurisdiction where the Fund may be doing business; (v) all instruments that the Administrator or the Liquidating Trustee, if any, deems appropriate to reflect a change, modification or termination of this Agreement or the Fund in accordance with this Agreement including, the admission of additional Members or substituted members pursuant to the provisions of this Agreement, as applicable; (vi) all fictitious or assumed name certificates required or permitted to be filed on behalf of the Fund; (vii) all conveyances and other instruments or papers deemed advisable by the Administrator or the Liquidating Trustee, if any, including, those to effect the dissolution and termination of the Fund (including a Certificate of Cancellation); (viii) all other agreements and instruments necessary or advisable to consummate any purchase of Portfolio Company Securities; and (ix) all other instruments or papers that may be required or permitted by law to be filed on behalf of the Fund.

XI.2 Additional Functions. The foregoing power of attorney:

- (a) is coupled with an interest, is irrevocable and will survive the subsequent Disability or Incapacity of any Member or any subsequent power of attorney executed by a Member;
- (b) may be exercised by the Attorney, either by signing separately as attorney-in-fact for each Member or by a single signature of the Attorney, acting as attorney-in-fact for all of them;
- (c) will survive the delivery of an assignment by a Member of all or any portion of its Interest; except that, where the assignee of all of that Member’s Interest has been approved by the Administrator for admission to the Fund, as a Substituted Member, the power of attorney of the assignor will survive the delivery of that assignment for the sole purpose of enabling the Attorney to execute, swear to, acknowledge and file any instrument necessary or appropriate to effect that substitution; and
- (d) is in addition to any power of attorney that may be delivered by a Member in accordance with its Subscription Agreement entered into in connection with its acquisition of Interest.

XI.3 Delivery of Power of Attorney. Each Member must execute and deliver to the Administrator within five (5) days after receipt of the Administrator’s request, any further designations, powers-of-attorney and other instruments as the Administrator reasonably deems necessary to carry out the terms of this Agreement.

Article XII

MISCELLANEOUS

XII.1 Amendments. This Agreement is subject to amendment only with the written Consent of the Administrator and either (i) the Organizer, and the Advisor if there is an Advisor, or (ii) a Majority in Interest; *provided, however*, that no amendment to this Agreement may:

(a) Modify the limited liability of a Member; modify the indemnification and exculpation rights of the Covered Persons; or increase in any material respect the liabilities or responsibilities of, or diminish in any material respect the rights or protections of, any Member under this Agreement, in each case, without the Consent of each affected Member or Covered Person, as the case may be;

(b) Alter the interest of any Member in income, gains and losses or amend any portion of Article III without the Consent of each Member adversely affected by that amendment; *provided, however*, that the admission of additional Members in accordance with the terms of this Agreement will not constitute an alteration or amendment;

(c) Alter the interest of any Covered Persons in income, gains and losses or amend any portion of Article III and Article IV without the Consent of each Covered Person adversely affected by that amendment; *provided, however*, that the removal of a Covered Person in accordance with the terms of this Agreement will not constitute an adverse amendment;

(d) Amend or waive any provisions of this Agreement that require the Consent, action or approval of Members without the Consent of those Members, or

(e) Amend or waive any provision of this Article XII.1(d) or Article IV.1.

XII.2 Ministerial and Administrative Amendments. Notwithstanding the limitations of Article XII.1, ministerial or administrative amendments as may be necessary or appropriate and those amendments as may be required by law may be made in the discretion of the Administrator from time to time without the Consent of any of the Members; *provided, however*, that no amendment will be adopted pursuant to this Article XII.2 unless that amendment would not alter, or result in the alteration of, the limited liability of the Members or the status of the Fund as a “partnership” for federal income tax purposes.

XII.3 Amendment Recordation. Upon the adoption of any amendment to this Agreement, the amendment will be executed by the Administrator and, if required, will be recorded in the proper records of each jurisdiction in which recordation is necessary for the Fund to conduct business. Any adopted amendment may be executed by the Administrator on behalf of the Members pursuant to the power of attorney granted in Article XI.1.

XII.4 Offset Privilege. The Fund may offset against any monetary obligation owing from the Fund to any Member or the Administrator any monetary obligation then owing from that Member or Administrator to the Fund; *provided, however*, that the offset right will only apply to any monetary obligation owed to that Member or Administrator in their capacity as a Member or Administrator.

XII.5 Notices.

(a) Any notice or other communication to be given to the Fund, the Administrator or any Member in connection with this Agreement will be in writing and will be delivered or mailed by registered or

certified mail, postage prepaid, sent by facsimile or electronic mail or otherwise delivered by hand or messenger.

(b) Each Member hereby acknowledges that the Administrator is entitled to transmit to that Member exclusively by e-mail (or other means of electronic messaging) all notices, correspondence and reports, including, but not limited to, that Member's Schedule K-1s.

(c) Each notice or other communication to the Administrator will for purposes of this Agreement be treated as effective or having been given upon the earlier of (i) receipt, (ii) the date transmitted by email, with evidence of transmission from the transmitting device, (iii) acknowledged receipt, (iv) when delivered in person, (v) when sent by electronic facsimile transfer or electronic mail at the number or address set forth below and receipt is acknowledged by the Administrator, (vi) one Business Day after having been dispatched by a nationally recognized overnight courier service if receipt is evidenced by a signature of a person regularly employed or residing at the address set forth below for that Party or (vii) three Business Days after being sent by registered or certified mail, return receipt requested, postage prepaid.

(d) Any notice must be given, if (x) to the Fund, to the Fund's Principal Office Location, facsimile number or email address, to the attention of the Administrator and (y) to any Member or Administrator, to that Member's or Administrator's address or number specified in the records of the Fund. Any Party may by notice pursuant to this Article XII.5 designate any other physical address or email address to which notice to that Party must be given.

XII.6 Waiver. No course of dealing or omission or delay on the part of any Party in asserting or exercising any right under this Agreement will constitute or operate as a waiver of any right. No waiver of any provision of this Agreement will be effective, unless in writing and signed by or on behalf of the Party to be charged with the waiver. No waiver will be deemed a continuing waiver or future waiver or waiver in respect of any other breach or default, unless expressly so stated in writing.

XII.7 Governing Law. This Agreement will be construed, performed and enforced in accordance with the laws of the State of Delaware, without giving effect to its conflict of laws principles to the extent those principles or rules would require or permit the application of the laws of another jurisdiction.

XII.8 Dispute Resolution. Any dispute, controversy or claim arising out of or relating to this Agreement, or the breach of this Agreement, except for any claim or action that the Administrator or Fund may elect to commence to enforce any of its rights or the Members obligations under this Agreement or the Subscription Agreement, will be settled by binding arbitration, before three arbitrators, administered by the American Arbitration Association under and in accordance with its Commercial Arbitration Rules, and judgment on the award rendered by the arbitrators may be entered in any court having jurisdiction.

(a) *Location.* Any arbitration will be held virtually or at such location as agreed upon by the parties to the arbitration. If no such location is agreed upon within ten (10) days, such arbitration shall be held in Houston, TX.

(b) *Costs.* Each of the Parties will equally bear any arbitration fees and administrative costs associated with the arbitration. The prevailing Party, as determined by the arbitrators, will be awarded its costs and reasonable attorneys' fees incurred in connection with the arbitration.

(c) *Class Action Waiver.* The Parties further agree that they may bring claims only in their individual capacity and not as a plaintiff or class representative in any purported class or representative proceeding.

The arbitrators may not consolidate more than one Person's claims, may not otherwise preside over any form of a representative or class proceeding, and may not award class-wide relief. This provision is material and is a condition of the agreement to arbitrate set forth in this Section. In the event that a determination is made that this class action waiver is void or unenforceable for any reason, the Parties agree that the agreement to arbitrate disputes set forth in this Section will be null and void.

XII.9 Remedies. In the event of any actual or prospective breach or default of this Agreement by any Party, the other parties will be entitled to seek equitable relief, including remedies in the nature of injunction and specific performance (without being required to post a bond or other security or to establish any actual damages). In this regard, the Parties acknowledge that they will be irreparably damaged in the event this Agreement is not specifically enforced, since (among other things) the Interests are not readily marketable. All remedies under this Agreement are cumulative and not exclusive, may be exercised concurrently and nothing in this Agreement will be deemed to prohibit or limit any Party from pursuing any other remedy or relief available at law or in equity for any actual or prospective breach or default, including the recovery of damages.

XII.10 Severability. The provisions of this Agreement are severable and in the event that any provision of this Agreement is determined to be illegal, invalid or unenforceable in any respect by a court of competent jurisdiction, the remaining provisions of this Agreement will not be affected, but will, subject to the discretion of that court, remain in full force and effect, and any illegal, invalid or unenforceable provision will be deemed, without further action on the part of the Parties, amended and limited to the extent necessary to render that provision, as so amended and limited, legal, valid and enforceable, it being the intention of the Parties that this Agreement and each provision will be legal, valid and enforceable to the fullest extent permitted by applicable law.

XII.11 Counterparts. This Agreement may be executed in counterparts, each of which will be deemed an original, but all of which together will constitute one and the same agreement. A facsimile, PDF or DocuSign (or similar service) signature will be deemed an original. The Parties hereby Consent to transact business with the Fund and each of the other via electronic signature (including via the Platform, DocuSign, eSignLive, or a similar service). Each Party understands and agrees that their signature page may be disassembled and attached to the final version of this Agreement.

XII.12 Further Assurances. Each Party shall promptly execute, deliver, file or record those agreements, instruments, certificates and other documents and take other actions as the Administrator may reasonably request or as may otherwise be necessary or proper (to carry out the terms and provisions of this Agreement and to consummate and perfect the transactions contemplated hereby, including: (i) to facilitate the Closing or satisfy any Closing Conditions in any manner determined by the Administrator; (ii) to satisfy applicable anti-money laundering requirements; (iii) for any tax purpose; or (iv) for any other purpose that is consistent with the terms of this Agreement.

XII.13 Assignment. Except as otherwise provided in this Agreement, and any right, interest or obligation may not be assigned by any Party without the prior written Consent of the Administrator as set forth in Article VII. Any purported assignment without Consent will be *ab initio* null and void and without effect.

XII.14 Binding Effect. This Agreement will be binding upon and inure to the benefit of the Parties and their respective legal representatives, successors and permitted assigns. This Agreement is not intended, and will not be deemed, to create or confer any right or interest for the benefit of any Person not a party to this Agreement.

XII.15 Titles and Captions. The titles and captions of the Articles and Sections of this Agreement are for convenience of reference only and do not in any way define or interpret the intent of the Parties or modify or otherwise affect any of the provisions hereof and shall not have any effect on the construction or interpretation of this Agreement.

XII.16 Construction. In this Agreement: (a) words importing the singular number only shall include the plural and vice versa and words importing the masculine gender only shall include the feminine and neuter genders and *vice versa*; (b) the words “include”, “includes” and “including” mean “include”, “includes” or “including”, in each case, “without limitation”; (c) reference to any agreement or other instrument in writing means such agreement or other instrument in writing as amended, modified, replaced or supplemented from time to time; (d) unless otherwise indicated, time periods within which a payment is to be made or any other action is to be taken hereunder shall be calculated excluding the day on which the period commences and including the day on which the period ends; and (e) whenever any payment to be made or action to be taken hereunder is required to be made or taken on a day other than a Business Day, such payment shall be made or action taken on the next following Business Day. To the fullest extent permitted by law, any ambiguities in this Agreement will be resolved without reference to which party may have drafted this Agreement.

XII.17 Side Letters. Notwithstanding the provisions of this Agreement or of any Subscription Agreement, it is hereby acknowledged and agreed that the Administrator on its own behalf or on behalf of the Fund, with the approval of the Advisor, may enter into letter agreements with one or more Members that have the effect of establishing rights under, or altering or supplementing the terms of, this Agreement or any Subscription Agreement with respect to the Member or Members party thereto.
