PAVE FINANCE, INC.

SAFE

(Simple Agreement for Future Equity)

Series 2025

THIS CERTIFIES THAT in exchange for the payment by the undersigned investor (the “**Investor**,” and together with all other Series 2025 SAFE holders, the “**Investors**”) of the undersigned purchase amount (the “**Purchase Amount**”) on or about the undersigned date, Pave Finance, Inc., a Delaware corporation (the “**Issuer**”), hereby issues to the Investor the right to certain of the Issuer’s Equity Securities (defined below), subject to the terms set forth below.

See Section 2 for certain defined terms.

1. Events

(a) **Equity Financing Event**. If an Equity Financing (defined below) occurs before this instrument terminates in accordance with Sections 1(b)-(d), the Issuer shall promptly notify the Investor of the closing, or anticipated closing, of the Equity Financing and issue to the Investor a number of Equity Securities, as applicable, sold in the Equity Financing, subject to the terms of this Section 1. The number of Equity Securities shall equal the quotient obtained by dividing (x) the Purchase Amount by (y) the **Equity Financing Price** (as defined below).

(b) **Liquidity Event**. If there is a Liquidity Event before the termination of this SAFE (whether pursuant to Sections 1(a), (c) or (e)), the holder of this SAFE will automatically be entitled (subject to the liquidation priority set forth below in Section 1(d)) to receive a portion of Proceeds, due and

payable to the holder of this SAFE immediately prior to, or concurrent with, the consummation of such Liquidity Event, equal to the **greater of** (1) the Purchase Amount (or a lesser amount as described below) (the “**Cash- Out Amount**”) or (2) the amount payable on the number of Equity Securities equal to the Purchase Amount (or a lesser amount as described below) divided by the Liquidity Price (the “**Conversion Amount**”).

Notwithstanding the foregoing, if the Issuer’s board of directors determines in good faith that delivery of Equity Securities to the holder of this SAFE pursuant to this Section 1(b) would violate an applicable law, rule or regulation, then the Issuer shall deliver to the holder of this SAFE in lieu thereof, a cash payment equal to the fair market value of such Equity Securities, as determined in good faith by the Issuer’s board of directors.

(c) **Dissolution Event.** If there is a Dissolution Event (defined below) before termination of this SAFE, this SAFE’s holder will automatically be entitled (subject to the liquidation priority set forth in Section 1(d) below) to receive a portion of Proceeds (defined below) equal to the Cash- Out Amount, due and payable to the holder of this SAFE immediately before the consummation of the Dissolution Event.

(d) **Liquidation Priority.** In a Liquidity Event or Dissolution Event, this SAFE is intended to operate like standard non-voting Preferred Stock. The holder of this SAFE’s right to receive its Cash- Out Amount is:

- (i) Junior to payment of outstanding indebtedness and creditor claims, including contractual claims for payment and convertible promissory notes (to the extent such convertible promissory notes are not actually or notionally converted into Equity Securities);
- (ii) On par with payments for other SAFEs, whether this Series or otherwise, and/or Preferred Stock, and if the applicable Proceeds are insufficient to permit full payments to the Investor and such other SAFEs and/or Preferred Stock, the applicable Proceeds will be distributed pro rata to the Investor and such other SAFEs and/or Preferred Stock holders in proportion to the full payments that would otherwise be due; and
- (iii) Senior to payments for Common Stock.

The holder of this SAFE’s rights to receive their Conversion Amount is (A) on par with payments for Common Stock and other SAFEs (whether this Series of SAFEs or alternative SAFEs) and/or Preferred Stock who are also receiving Conversion Amounts or Proceeds on a similar as-converted to Equity Securities basis, and (B) junior to payments described in clause (i) above.

(e) **Termination.** This SAFE automatically terminates (without relieving the Issuer or holder of this SAFE of any obligations arising from a prior breach of or non-compliance with this instrument) upon the earlier to occur: (i) the issuance of Equity Securities to the holder of this

SAFE pursuant to Section 1(a); or (ii) the payment, or setting aside for payment, of amounts due to the holder of this SAFE pursuant to Section 1(b) or Section 1(c) as subject to Section 1(d).

Investor acknowledges and agrees that Investor may not assign or transfer any of its rights or obligations under such agreements without the Custodian's prior written consent, and any attempted transfer or assignment in violation hereof shall be null and void.

4. Issuer Representations, Warranties and Covenants

The Issuer represents, warrants, and covenants to the Investor and the Intermediary as follows:

(a) The Issuer is a corporation duly organized, validly existing and in good standing under the laws of the state of its organization, and has the power and authority to own, lease and operate its properties and carry on its business as now conducted.

(b) The execution, delivery and performance by the Issuer of this instrument is within the power of the Issuer and, other than with respect to the actions to be taken when equity is to be issued to Investor, has been duly authorized by all necessary actions on the part of the Issuer. This instrument constitutes a legal, valid and binding obligation of the Issuer, enforceable against the Issuer in accordance with its terms, except as limited by bankruptcy, insolvency or other laws of general application relating to or affecting the enforcement of creditors' rights generally and general principles of equity. To the knowledge of the Issuer, it is not in violation of (i) its current organizational documents; (ii) any material statute, rule or regulation applicable to the Issuer; or (iii) any material indenture or contract to which the Issuer is a party or by which it is bound, where, in each case, such violation or default, individually, or together with all such violations or defaults, could reasonably be expected to have a material adverse effect on the Issuer.

(c) The performance and consummation of the transactions contemplated by this instrument do not and will not: (i) violate any material judgment, statute, rule or regulation applicable to the Issuer; (ii) result in the acceleration of any material indenture or contract to which the Issuer is a party or by which it is bound; or (iii) result in the creation or imposition of any lien upon any property, asset or revenue of the Issuer or the suspension, forfeiture, or nonrenewal of any material permit, license or authorization applicable to the Issuer, its business or operations.

(d) No consents or approvals are required in connection with the performance of this instrument, other than: (i) approvals from the Issuer's board of directors; (ii) any qualifications or filings under applicable securities laws; and (iii) necessary corporate approvals for the authorization of Equity Securities issuable pursuant to Section 1.

(e) The Issuer shall reserve from its authorized but unissued shares of Capital Stock for issuance and delivery upon the conversion of this instrument, such number of shares of the Capital Stock as necessary to effect the conversion contemplated by this instrument, and, from time to time, will take all steps necessary to amend its charter to provide sufficient authorized numbers of shares of the Capital Stock issuable upon the conversion of this instrument. All such shares shall be duly authorized, and when issued upon any such conversion, shall be validly issued, fully paid and non-assessable, free and clear of all liens, security interests, charges and other encumbrances or restrictions on sale and free and clear of all preemptive rights, except encumbrances or restrictions arising under federal or state securities laws.

(f) The Issuer is (i) not required to file reports pursuant to Section 13 or Section 15(d) of the Exchange Act, (ii) not an investment company as defined in Section 3 of the Investment Company Act of 1940 (the "ICA"), and is not excluded from the definition of investment company by Section 3(b) or Section 3(c) of the ICA, (iii) not planning to engage in a merger or acquisition with an unidentified company or companies, and (iv) organized under, and subject to, the laws of a state or territory of the United States or the District of Columbia.

(g) The Issuer hereby authorizes the Custodian to hold this SAFE and the securities issuable upon conversion thereof in registered form in its name or the name of its nominees for the benefit of the Investors, which shall be in uncertificated form. The Issuer agrees that the Custodian is an intended third- party beneficiary to the representations made by the Investor and the Issuer via the SAFE.

5. Investor Representations, Warranties, and Covenants

The Investor represents, warrants and covenants to the Issuer, the Issuer's representatives and agents, and Intermediary, as follows:

(a) This SAFE has been duly authorized, executed and delivered by the Investor and, upon due authorization, execution and delivery by the Issuer, will constitute the valid and legally binding agreement of the Investor enforceable in accordance with its terms against the Investor, except as

such enforceability may be limited by (i) bankruptcy, insolvency, reorganization, fraudulent conveyance, moratorium or other laws of general application relating to or affecting the enforcement of creditors' rights and remedies, as from time to time in effect; (ii) application of equitable principles (regardless of whether such enforceability is considered in a proceeding in equity or at law); and (iii) considerations of public policy or the effect of applicable law relating to fiduciary duties.

(b) The Investor understands that the Securities are restricted from transfer for a period of time under applicable federal securities laws and that the Securities Act and the rules of the Securities and Exchange Commission ("SEC") provide in substance that the Investor may dispose of the Securities only pursuant to an effective registration statement under the Securities Act or an exemption therefrom, after which certain state restrictions may apply. The Investor understands that the Company has no obligation or intention to register any of the Securities, or to take action so as to permit sales pursuant to the Securities Act. Even if and when the Securities become freely transferable, a secondary market in the Securities may not develop. Consequently, the Investor understands that the Investor must bear the economic risks of the investment in the Securities for an indefinite period of time.

(c) The Investor understands that the Securities have not been, and will not be, registered under the Securities Act or any state securities laws, by reason of specific exemptions under the provisions thereof which depend upon, among other things, the bona fide nature of the investment intent and the accuracy of each Investor's representations as expressed herein.

(d) The Investor acknowledges that the Investor has received all the information the Investor has requested from the Issuer and the Investor considers necessary or appropriate for deciding whether to acquire the Securities, and the Investor represents that the Investor has had an opportunity to ask questions and receive answers from the Issuer regarding the terms and conditions of the Securities and to obtain any additional information necessary to verify the accuracy of the information given to the Investor. In deciding to purchase this instrument, the Investor is not relying on the advice or recommendations of the Issuer or of the Intermediary and the Investor has made its own independent decision that an investment in the Securities is suitable and appropriate for the Investor. The Investor understands that no federal or state agency has passed upon the merits or risks of an investment in the Securities or made any finding or determination concerning the fairness or advisability of this investment.

(e) The Investor understands and acknowledges that the Securities provide the Investor no voting, information or inspection rights, aside from any disclosure requirements the Issuer is required to make under relevant securities regulations.

(f) The Investor understands that no public market now exists for any of the Securities issued by the Issuer, and that the Issuer has made no assurances that a public market will ever exist for the Securities to be acquired by the Investor hereunder.

(g) The Investor is not (i) a citizen or resident of a geographic area in which the purchase of or holding of the Securities, or any securities convertible or issuable therefrom, is prohibited by applicable law, decree, regulation, treaty, or administrative act, (ii) a citizen or resident of, or located in, a geographic area that is subject to U.S. or other applicable sanctions or embargoes, or (iii) an individual, or an individual employed by or associated with an entity, identified on the U.S. Department of Commerce's Denied Persons or Entity List, the U.S. Department of Treasury's Specially Designated Nationals List, the U.S. Department of State's Debarred Parties List or other applicable sanctions lists. Investor hereby represents and agrees that if Investor's country of residence or other circumstances change such that the above representations are no longer accurate, the Investor will immediately notify the Issuer. The Investor further represents and warrants that it will not knowingly sell or otherwise transfer any interest in the Securities, or any securities convertible or issuable therefrom, to a party subject to U.S. or other applicable sanctions.

(h) If the Investor is not a U.S. person (as defined by Section 7701(a)(30) of the Internal Revenue Code of 1986, as amended), the Investor hereby represents that it has satisfied itself as to the full observance of the laws of its jurisdiction in connection with any invitation, purchase and payment for, and continued ownership of, its beneficial interest in the Securities, or any securities convertible or issuable therefrom, will not violate any applicable securities or other laws of the Investor's jurisdiction, including (i) the legal requirements within its jurisdiction for the purchase of its beneficial interest in the Securities, or any securities convertible or issuable therefrom; (ii) any foreign exchange restrictions applicable to such purchase; (iii) any governmental or other consents that may need to be obtained; and (iv) the income tax and other tax consequences, if any, that may be relevant to the purchase, holding, conversion, redemption, sale, or transfer of its beneficial interest in the Securities, or any securities convertible or issuable therefrom. The Investor acknowledges that the Issuer has taken no action in foreign jurisdictions with respect to the Securities, or any securities convertible or issuable therefrom, (and the Investor's beneficial interest therein) and the underlying securities.

(i) If the Investor is a corporate entity: (i) such corporate entity is duly incorporated, validly existing and in good standing under the laws of the state of its incorporation, and has the power and authority to enter into this SAFE; (ii) the execution, delivery and performance by the Investor of the SAFE is within the power of the Investor and has been duly authorized by all necessary actions on the part of the Investor; (iii) to the knowledge of the Investor, it is not in violation of its current charter or bylaws, any material statute, rule or regulation applicable to the Investor; and (iv) the performance of the SAFE does not and will not violate any material judgment, statute, rule or regulation applicable to the Investor; result in the acceleration of any material indenture or contract to which the Investor is a party or by which it is bound, or otherwise result in the creation or imposition of any lien upon the Purchase Amount.

(j) The Investor further acknowledges that it has read, understood, and had ample opportunity to ask the Issuer questions about its business plans, “Risk Factors,” and all other information presented in the offering documents related to this transaction.

(k) The Investor represents that the Investor understands the substantial likelihood that the Investor will suffer a **TOTAL LOSS** of all capital invested, and that Investor is prepared to bear the risk of such total loss.

(l) Investor directs the Issuer to issue the Securities that are ultimately issued pursuant to this SAFE in the name of the Custodian, and the Investor acknowledges and agrees that the Custodian will hold the Securities in registered form for the benefit of the Investors, which shall be in uncertificated form. To the extent otherwise agreed upon in writing between the Investor and the Custodian, Custodian may take direction from the Lead (as defined below) who will act on behalf of the Investors, and the Issuer, the Intermediary and the Custodian may be permitted to rely on the Lead’s instructions relating to the Securities. The Investor agrees that the Custodian is an intended third-party beneficiary to the representations made by the Investor and the Issuer via the SAFE, including, without limitation, any representations, warranties, and covenants made by the Issuer and the Investor.

(m) The Investor will maintain an account in good standing with Custodian pursuant to a valid and binding Custody Account Agreement. To the extent any of the provisions of such Custody Account Agreement contradict this instrument, the Custody Account Agreement shall govern.

(n) The Investor agrees that any action contemplated by this instrument and requested by the Issuer must be completed by the Investor within thirty (30) calendar days of receipt of the relevant notice (whether actual or constructive) to the Investor or the Custodian as Investor’s agent.

6. Transfer Restrictions.

(a) The Investor hereby agrees that during the Lock-up Period it will not, without the prior written consent of the managing underwriter: (A) lend; offer; pledge; sell; contract to sell; sell any option or contract to purchase; purchase any option or contract to sell; grant any option, right, or warrant to purchase; or otherwise transfer or dispose of, directly or indirectly, any Equity Securities or any securities convertible into or exercisable or exchangeable (directly or indirectly) for Equity Securities (whether any such securities are then owned by the Investor or are thereafter acquired); or (B) enter into any swap or other arrangement that transfers to another, in whole or in part, any of the economic consequences of ownership of such securities; whether any such transaction described in clause (A) or (B) above is to be settled by delivery of Equity Securities or other securities, in cash, or otherwise.

(b) The foregoing provisions of Section 6(a) will: (x) apply only to the IPO and will not apply to the sale of any of the Issuer’s securities issued to an underwriter pursuant to an underwriting agreement; (y) not apply to the transfer of any Issuer’s securities to any trust for the direct or

indirect benefit of the Investor or the immediate family of the Investor, provided that the trustee of the trust agrees to be bound in writing by the restrictions set forth herein, and provided further that any such transfer will not involve a disposition for value; and (z) be applicable to the Investor only if all officers of the Issuer are subject to the same restrictions and the Issuer uses commercially reasonable efforts to obtain a similar agreement from all stockholders individually owning more than 5% of the outstanding Equity Securities or any securities convertible into or exercisable or exchangeable (directly or indirectly) for Equity Securities. Notwithstanding anything herein to the contrary, the underwriters in connection with the IPO are intended third-party beneficiaries of Section 6(a) and will have the right, power and authority to enforce the provisions hereof as though they were a party hereto. The Investor further agrees to execute such agreements as may be reasonably requested by the underwriters in connection with the IPO that are consistent with Section 6(a) or that are necessary to give further effect thereto.

(c) In order to enforce the foregoing covenant, the Issuer may impose stop transfer instructions with respect to the Investor's registrable securities of the Issuer (and the Issuer securities of every other person subject to the foregoing restriction) until the end of the Lock-up Period. The Investor agrees that a legend reading substantially as follows will be placed on all certificates representing all of the Investor's registrable securities of the Issuer (and the securities of the Issuer held by every other person subject to the restriction contained in Section 6(a)):

THE SECURITIES REPRESENTED BY THIS CERTIFICATE ARE SUBJECT TO A LOCK-UP PERIOD BEGINNING ON THE EFFECTIVE DATE OF THE ISSUER'S REGISTRATION STATEMENT FILED UNDER THE SECURITIES ACT OF 1933, AS AMENDED, AS SET FORTH IN AN AGREEMENT BETWEEN THE ISSUER AND THE ORIGINAL HOLDER OF THESE SECURITIES, A COPY OF WHICH MAY BE OBTAINED AT THE ISSUER'S PRINCIPAL OFFICE. SUCH LOCK-UP PERIOD IS BINDING ON TRANSFEREES OF THESE SECURITIES.

(d) Without in any way limiting the representations and warranties set forth in Section 4 above, the Investor further agrees not to make any disposition of all or any portion of this instrument or the underlying securities unless and until the transferee has agreed in writing for the benefit of the Issuer to make the representations and warranties set out in Section 5 and the undertaking set out in Section 6(a) and:

(i) There is then in effect a registration statement under the Securities Act covering such proposed disposition and such disposition is made in accordance with such registration statement; or

(ii) The Investor shall have notified the Issuer of the proposed disposition and shall have furnished the Issuer with a detailed statement of the circumstances surrounding the proposed disposition and, if reasonably requested by the Issuer, the Investor shall have furnished the Issuer

with an opinion of counsel reasonably satisfactory to the Issuer that such disposition will not require registration of such securities under the Securities Act.

(e) If the Investor intends to transfer the SAFE (“**Transfer**”), the party accepting Transfer (“**Transferee**”) must pass and continue to comply with any applicable know your customer (“**KYC**”) and anti-money laundering (“**AML**”) policies and, at the Issuer’s sole determination, execute an Omnibus Nominee Agreement, provided in connection with the Transfer. The Investor understands that the Transferee’s failure to pass the requisite KYC and AML procedures or to execute an Omnibus Nominee Agreement contemporaneously with the Transfer, if determined necessary in the Issuer’s sole discretion, may render the Transfer void, null, unenforceable, and the Transferee will be unable to redeem their security.

(f) The Investor understands and agrees that the certificates, book entry or other form of notation representing the Securities sold pursuant to this SAFE will be notated with a legend or designation, which communicates in some manner that the Securities were issued pursuant to Section 4(a)(2) of the Securities Act.

Tokenization and Fractionalization

(a) The Issuer has the right, but not the obligation, to mint and distribute to, or for the benefit of, the Investor digital tokens (“**Tokens**”) on a blockchain network, which may serve as a digital representation of, or economic arrangement to, the Securities or as a technological means of providing a transfer instruction to the Issuer or an entitlement order to a securities intermediary holding this SAFE on behalf of others. The Tokens, if issued, may embody certain rights, preferences, privileges, and restrictions of the respective Securities to which they relate or may provide the means to give such instructions or entitlement orders.

(b) The Securities, whether in the form of Tokens or otherwise, may be issued in whole or fractional parts, in the Issuer's sole discretion.

7. Miscellaneous

(a) The Investor agrees to execute an Omnibus Nominee Agreement contemporaneously and in connection with the purchase of this SAFE. The Investor agrees and understands that the Investor’s failure to execute an Omnibus Nominee Agreement contemporaneously with this SAFE may render the SAFE void, null and unenforceable.

(b) The Investor agrees to take any and all actions determined in good faith by the Issuer’s board of directors to be advisable to reorganize this instrument and any Equity Securities issued pursuant to the terms of this instrument.

(c) Any provision of this SAFE may be amended, waived or modified only at the direction of the board of directors of the Issuer (the “**Lead**”). The Lead shall act in accordance with the principals of good faith and fair dealing in the performance of their role as Lead.

(d) The Investor is not entitled, as a holder of this instrument, to vote or receive dividends or be deemed the holder of Equity Securities for any purpose, nor will anything contained herein be construed to confer on the Investor, as such, any of the rights of a stockholder of the Issuer or any right to vote for the election of directors or upon any matter submitted to stockholders at any meeting thereof, or to give or withhold consent to any corporate action or to receive notice of meetings, or to receive purchase rights or otherwise until securities have been issued upon the terms described herein.

(e) Neither this instrument nor the rights contained herein may be assigned, by operation of law or otherwise, by either party without the prior written consent of the Issuer and the Investor; *provided, however*, that this instrument and/or the rights contained herein may be assigned without the Issuer's consent by the Investor to any other entity who directly or indirectly, controls, is controlled by or is under common control with the Investor, including, without limitation, any general partner, managing member, officer or director of the Investor, or any venture capital fund now or hereafter existing which is controlled by one or more general partners or managing members of, or units the same management company with, the Investor; and *provided, further*, that the Issuer may assign this instrument in whole, without the consent of the Investor, in connection with a reincorporation to change the Issuer's domicile or organizational form.

(f) In the event any one or more of the terms or provisions of this instrument is for any reason held to be invalid, illegal or unenforceable, in whole or in part or in any respect, or in the event that any one or more of the terms or provisions of this instrument operate or would prospectively operate to invalidate this instrument, then such term(s) or provision(s) only will be deemed null and void and will not affect any other term or provision of this instrument and the remaining terms and provisions of this instrument will remain operative and in full force and effect and will not be affected, prejudiced, or disturbed thereby.
